## MTBC to Participate in the 2014 Aegis Capital Healthcare Conference

SOMERSET, N.J., Sept. 3, 2014 (GLOBE NEWSWIRE) -- MTBC (Nasdaq:MTBC), a leading provider of proprietary, web-based electronic health records, practice management and mHealth solutions, today announced that the Company will present at the Aegis Capital Corp. Healthcare & Technology Conference. The conference will be held in Las Vegas from September 10-13, 2014.

### About Medical Transcription Billing Corp.

Medical Transcription Billing, Corp. is a healthcare information technology company that provides a fully integrated suite of proprietary web-based solutions, together with related business services, to healthcare providers practicing in ambulatory care settings. Our integrated Software-as-a-Service (or SaaS) platform helps our customers increase revenues, streamline workflows and make better business and clinical decisions, while reducing administrative burdens and operating costs. For additional information, please visit our website at [www.mtbc.com](http://www.mtbc.com).

### About The Aegis Healthcare & Technology Conference

The Aegis Capital Healthcare & Technology Conference provides a forum to introduce small-cap companies in the life sciences and technology sectors to the investment community. This invitation-only event attracts a wide array of research analysts, fund managers, qualified high net worth individuals and financial advisors seeking compelling ideas for their portfolios. The conference is hosted by Aegis Capital, which is a leader in providing capital raising and financial advisory services for emerging growth companies.
