MTBC and Amazing Charts' Partnership Offers an Enhanced Integrated EHR and Revenue Cycle Management Solution for Providers

SOMERSET, N.J., May 15, 2015 (GLOBE NEWSWIRE) -- MTBC (Nasdaq:MTBC), a leading provider of web-based revenue cycle management services and healthcare IT solutions, today announced its partnership with Amazing Charts, a leading developer of Electronic Health Record (EHR) and Practice Management systems for physician practices.

"We're very pleased to be launching our new partnership with Amazing Charts and look forward to helping additional Amazing Charts users increase revenues, while reducing expenses and streamlining workflows," said Stephen Snyder, MTBC President. "We believe that the combination of Amazing Charts' industry leading EHR and MTBC's industry leading revenue cycle management solution, which we're offering at the lowest price point in the industry, is a very compelling option."

"MTBC has earned a solid reputation in the industry and continues to thrive due to their ability to offer an innovative platform with competitive pricing models," said Matt Pierce, Amazing Charts vice president of business development. "We are excited to include MTBC in our Partner Community program and expect Amazing Charts customers to find great value in their offerings."

Interested providers are invited to schedule a demo or learn more about the MTBC-Amazing Charts partnership by visiting <http://www.mtbc.com/amazingcharts.aspx> or on the Amazing Charts Partner Community: <http://amazingcharts.com/services/partner-community/mtbc/>.

About MTBC

MTBC (Medical Transcription Billing, Corp.) is a healthcare information technology company that provides a fully integrated suite of proprietary web-based solutions, together with related business services, to healthcare providers practicing in ambulatory care settings. For additional information, please visit MTBC website at www.mtbc.com.

About Amazing Charts

Amazing Charts provides Electronic Health Records (EHR/EMR), Practice Management, and other Health IT solutions to healthcare practices. Based on number one user ratings for usability, fair pricing, and overall satisfaction, Amazing Charts EHR has been adopted by more than 10,000 clinicians in over 6,800 private practices. Founded in 2001 by a family physician, today Amazing Charts, LLC operates as a subsidiary of Pri-Med, an operating division of Diversified Communications (DC) and a trusted source for professional medical

education to over 260,000 clinicians since 1995. For more information,
