MTBC Announces Results from Annual Shareholders Meeting

SOMERSET, N.J., June 18, 2018 (GLOBE NEWSWIRE) -- [MTBC](#) (the "Company") (NASDAQ: MTBC) (NASDAQ: MTBCP), a leading provider of proprietary, cloud-based healthcare IT solutions and services, today announced that its shareholders held their 2018 annual meeting on June 15, 2018 and voted on three proposals.

At the annual meeting, MTBC's shareholders provided their overwhelming support for the three proposals. In particular, shareholders voted to re-elect John N. Daly, a former EVP and director of E.F. Hutton & Company to serve another term on its board of directors, to amend the Company's Certificate of Incorporation to increase the authorized number of shares of preferred stock, and to amend the Company's Equity and Incentive Plan to increase the number of shares of preferred stock.

"We are very grateful to our shareholders, customers, and employees for their support over the last year, which enabled us to achieve record revenue growth during 2017 and adjusted EBITDA of \$3.5 million for the trailing four quarters," said Stephen Snyder, CEO. "With a great product, compelling opportunities, and a strong balance sheet – we are virtually debt-free, with more than \$12 million of cash as of June 1, and an undrawn \$5 million credit line – we're well positioned to continue our growth during the year ahead."

Final voting tallies from this year's meeting are included in the Company's most recent Form 8-K filed with the Securities and Exchange Commission.
