Forward-Looking Statements

This press release contains various forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These statements relate to anticipated future events, future results of operations or future financial performance. In some cases, you can identify forward-looking statements by terminology such as "may," "might," "will," "shall," "should," "could," "intends," "expects," "plans," "goals," "projects," "anticipates," "believes," "seeks," "estimates," "forecasts," "predicts," "possible," "potential," "target," or "continue" or the negative of these terms or other comparable terminology.

Our operations involve risks and uncertainties, many of which are outside our control, and any one of which, or a combination of which, could materially affect our results of operations and whether the forward-looking statements ultimately prove to be correct. Forward-looking statements in this press release include, without limitation, statements reflecting management's expectations for future financial performance and operating expenditures, expected growth, profitability and business outlook, the impact of the Covid-19 pandemic on our financial performance and business activities, and the expected results from the

integration of our acquisitions.

These forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are only predictions, are uncertain and involve substantial known and unknown risks, uncertainties and other factors which may cause our (or our industry's) actual results, levels of activity or performance to be materially different from any future results, levels of activity or performance expressed or implied by these forward-looking statements. New risks and uncertainties emerge from time to time, and it is not possible for us to predict all of the risks and uncertainties that could have an impact on the forward-looking statements, including without limitation, risks and uncertainties relating to the Company's ability to manage growth, migrate newly acquired customers and retain new and existing customers, maintain cost-effective global operations, increase operational efficiency and reduce operating costs, predict and properly adjust to changes in reimbursement and other industry regulations and trends, retain the services of key personnel, develop new technologies, upgrade and adapt legacy and acquired technologies to work with evolving industry standards, compete with other companies' products and services competitive with ours, and other important risks and uncertainties referenced and discussed under the heading titled "Risk Factors" in the Company's filings with the Securities and Exchange Commission. In addition, there is uncertainty about the spread of the Covid-19 virus and the impact it may have on the Company's operations, the demand for the Company's services, and economic activity in general.

The statements in this press release are made as of the date of this press release, even if subsequently made available by the Company on its website or otherwise. The Company does not assume any obligations to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on which they were made.
