About Khiron Life Sciences Corp.

Khiron is a vertically integrated medical and CPG cannabis company with core operations in Latin America, and operational activity in Europe and North America. Khiron is the leading cannabis company in Colombia and the first company licensed in Colombia for the cultivation, production, domestic distribution, and international export of both low and high THC medical cannabis products. The Company has presence in Mexico, Peru, Uruguay, Brazil, UK, Spain and Germany, where it is positioned to begin sales of medical cannabis.

Leveraging its first-mover advantage, and patient oriented approach, Khiron combines global scientific expertise, product innovation, agricultural infrastructure, wholly-owned medical clinics, and online doctor education programs to drive prescription and brand loyalty to address priority medical conditions. Its Wellbeing unit launched the first branded CBD skincare brand in Colombia, with Kuida™ now marketed in multiple jurisdictions in Latin America, the US and UK. The Company is led by Co-founder and Chief Executive Officer, Alvaro Torres, together with an experienced and diverse executive team and Board of Directors.
