SalemNOW Launches “Government Gangsters” Featuring Kash Patel

CAMARILLO, Calif.--(BUSINESS WIRE)-- [Salem Media Group, Inc.](#) (OTCQX: SALM) announced today that SalemNOW, the leading Conservative and Christian streaming service, is releasing "Government Gangsters" featuring Kash Patel and produced by Steve Bannon and Dan Fleurette.

"Government Gangsters" exposes the chicanery and malfeasance of deep state operators inside government offices, along with their allies in the press, who fabricate scandals, with little to no actual basis.

Producer Dan Fleurette says, "I've long been a fan of SalemNOW and their unmatched dedication to conservative filmmakers, and we're proud to bring this important film to their knowledgeable, loyal, and active audience."

Steve Bannon says, "'Government Gangsters' is one of the best films I've ever been associated with. You do not want to miss this film. This is the type of movie that can change this election. By sharing this with your family and friends, you can make a difference. This could result in a two-to-five-point swing in the polls on November 5th."

Says Kash Patel, "I am incredibly proud to be part of this remarkable documentary. Thanks to this unbelievable team, we have successfully articulated and condensed a series of often confusing and overlapping narratives into a cohesive and easy to follow exposition of the deep state and their operations."

"The objective of this film," says director M. A. Taylor, "is to shed light on the undue influence wielded by unelected bureaucrats within our government, who all too often use their power for nefarious ends."

Streaming platform, SalemNOW, features exclusive conservative and faith-based films, documentaries, 24/7 news and leading personalities such as Dinesh D'Souza, Dennis Prager, Charlie Kirk, Larry Elder, Mike Gallagher, Sebastian Gorka, Lara Trump and many others.

You can find SalemNOW at [SalemNOW.com](#), in the iOS and Android app stores, ROKU streaming devices and TVs, Apple TVs, Android TVs, Amazon Fire, and Vizio TVs.
