## **About Biotech Showcase Investor Conference**

Biotech Showcase<sup>™</sup> is an investor conference, during JPM 2019, devoted to providing private and public biotechnology and life sciences companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place during the course of one of the industry's largest annual healthcare investor conferences. Investors and biopharmaceutical executives from around the world gather in San Francisco during this bellwether week which sets the tone for the coming year.

Now in its eleventh year, this rapidly growing conference features multiple tracks of presenting companies, plenary sessions, workshops, networking, and an opportunity to schedule one-to-one meetings.

In addition to biopharmaceutical and life science company executives, Biotech Showcase delegates include investors in private and public companies, sector analysts, bankers and industry professionals.

Biotech Showcase is produced by Demy-Colton and EBD Group. Both organizations have a long history of producing high quality programs that support the biotechnology and broader life sciences industry.

## **About Citius Pharmaceuticals, Inc.**

Citius is a specialty pharmaceutical company dedicated to the development and commercialization of critical care products, with a focus on anti-infectives, cancer care and unique prescription products that use innovative, patented or proprietary formulations of previously approved active pharmaceutical ingredients. We seek to achieve leading market positions by providing therapeutic products that address unmet medical needs. By using previously approved drugs with substantial safety and efficacy data, we seek to reduce the risks associated with pharmaceutical product development and regulatory requirements. Citius develops products that have intellectual property protection and competitive advantages to existing therapeutic approaches.
