

Company Overview

MOBI724, a leader in the fintech industry based in Montreal (Canada), offers a unique and fully integrated suite of payment & digital marketing solutions with a combined EMV Payment, Card Linked Offers, and Digital Marketing platform that works on any card and any mobile device. MOBI724's solutions add value to all types of transactions benefiting banks, retailers and cardholders by leveraging available user and purchasing data to increase transaction volumes and spend. MOBI724 provides a turnkey solution to its clients to capture card transactions on any mobile device, at any point of sale or from any payment card. MOBI724 provides its customers with full and comprehensive traceability and enriched consumer data through its offering. Its solutions enable card associations, retailers, manufacturers, offer providers, mobile operators and card issuers to create, manage, deliver and "track and measure" incentive campaigns worldwide to any mobile device and allow redemption at any point of sale.
