

WiSA Technologies Reschedules Q3 2022 Conference Call

- Requests Delay in Filing Q3 2022 10-Q -

BEAVERTON, Ore.--(BUSINESS WIRE)-- WiSA Technologies, Inc. (Nasdaq: WISA), a developer of spatial, wireless sound technology for smart devices and next-generation home entertainment systems, has requested to delay filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2022. The delay in filing has been requested in consideration of the Company's previously announced and ongoing exploration of strategic alternatives and is not a result of any disagreements with its auditor concerning the financial results. As a result of this delay, the Company has tentatively rescheduled its quarterly results conference call for November 21, 2022.

About WiSA Technologies, Inc.

WiSA Technologies (Nasdaq: WISA) develops, markets, and sells spatial audio wireless technology for smart devices and next-generation home entertainment systems. Its consortium—the WiSA Association—works with leading consumer electronics companies, technology providers, retailers, and industry partners to make spatial audio an experience that everyone can enjoy. The Company is headquartered in Beaverton, OR. For more information, please visit: www.wisatechnologies.com.

Safe Harbor Statement

This press release contains forward-looking statements, which are not historical facts, within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “will,” “would” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements, including statements herein regarding revenue growth, production, stores and launches, are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. As a result, readers are cautioned not to place undue reliance on these forward-looking statements. Actual results may differ materially from those indicated by these forward-looking statements as a result of risks and uncertainties impacting WiSA Technologies’

business, including current macroeconomic uncertainties associated with the COVID-19 pandemic; our inability to predict or measure supply chain disruptions resulting from the COVID-19 pandemic and other drivers; our ability to predict the timing of design wins entering production and the potential future revenue associated with our design wins; our rate of growth; our ability to predict direct and indirect customer demand for our existing and future products and to secure adequate manufacturing capacity; our ability to hire, retain and motivate employees; the effects of competition, including price competition within our industry segment; technological, regulatory and legal developments that uniquely or disproportionately impact our industry segment; developments in the economy and financial markets and other risks detailed from time to time in WiSA Technologies' filings with the Securities and Exchange Commission.
