

Company Overview

ConversionPoint Technologies Inc., with offices in California and Minnesota, is a high-growth, eCommerce technology platform that empowers direct-to-consumer performance marketing. The company's proprietary eCommerce technology enables high-volume product sales across multiple consumer verticals. Its technology suite includes a media optimization solution that uses machine learning to optimize ad purchases and lower customer acquisition costs, and a CRM that provides a robust payment processing and customer data management platform. An integrated post-purchase customer management platform automates product delivery and customer re-marketing, and improves sales campaign ROI. The company also offers its technology platform to other eCommerce companies, generating SaaS-based recurring revenue in addition to product subscription revenue.
