# Cheniere Partners Announces Early Tender Results of Cash Tender Offer and Consent Solicitation For Any and All of its 5.625% Senior Notes Due 2026 and Receipt of Requisite Consents

HOUSTON--(BUSINESS WIRE)-- Cheniere Energy Partners, L.P. ("Cheniere Partners") (NYSE American: CQP) today announced the early tender results as of 5:00 p.m., New York City time, on September 24, 2021 (the "Early Tender Deadline") of its previously announced tender offer to purchase for cash any and all of its outstanding 5.625% Notes due 2026 (the "Notes"). In connection with the tender offer, Cheniere Partners also announced the results as of the Early Tender Deadline of the previously announced solicitation of consents (the "Consents") from holders of the Notes (the "consent solicitation") to the proposed amendment to the indenture with respect to the Notes (the "Indenture") providing for the reduction of the minimum notice period for the optional redemption of the Notes by Cheniere Partners (the "Proposed Amendment").

The terms and conditions of the tender offer and consent solicitation are described in an Offer to Purchase and Consent Solicitation Statement, dated September 13, 2021.

The aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline (the "Early Tender Notes"), as well as the percent of the aggregate principal amount of Notes outstanding constituting Early Tender Notes, is set forth in the table below. The consideration being offered for any such Early Tender Notes accepted for purchase in the tender offer and consent solicitation is also set forth in the table below:

| Series of Notes       | CUSIP Numbers          | Aggregate Principal Amount Outstanding | Aggregate Principal Amount of Early Tender Notes | Percent of Outstanding Principal Amount Tendered | Tender Consideration <sup>(1)</sup> | Early Tender Premium | Ct |
|-----------------------|------------------------|--|--|--|-------------------------------------|----------------------|----|
| 5.625% Notes due 2026 | 16411QAD3<br>U16353AB7 | \$1,100,000,000                        | \$672,331,000                                    | 61.12%   | \$980.00                            | \$50.00              |    |

(1) Per \$1,000 principal amount of Early Tender Notes accepted for purchase by Cheniere Partners. Excludes accrued and unpaid interest, which will be paid on Notes accepted for purchase as described below.

(2) Includes the \$50.00 early tender premium for the Early Tender Notes accepted for purchase.

The tender offer and consent solicitation will expire at 12:01 a.m., New York City time, on October 12, 2021, unless extended, earlier expired or terminated by Cheniere Partners (such time and date, as the same may be extended, earlier expired or terminated by Cheniere Partners in its sole discretion, subject to applicable law, the "Expiration Date"). No tenders submitted after the Expiration Date will be valid. Subject to the terms and conditions of the tender offer and consent solicitation, holders of the Early Tender Notes will receive the total consideration, which includes the early tender premium for the Notes of \$1,030.00 per \$1,000 principal amount of Notes tendered. Holders who validly tender their Notes and deliver their Consents after the Early Tender Deadline and at or prior to the Expiration Date will be eligible to receive only the tender consideration, as set forth in the table above. Accrued and unpaid interest will be paid on all Notes validly tendered and accepted for purchase from the last interest payment date up to, but not including, the applicable settlement date.

The Early Settlement Date (as defined in the Offer to Purchase and Consent Solicitation Statement) for the Early Tender Notes is expected to be on September 27, 2021. Any Notes validly tendered and related Consents validly delivered after the Early Tender Deadline may not be withdrawn or revoked, except as required by law. Subject to the satisfaction or waiver of the conditions to the tender offer and consent solicitation, Cheniere Partners expects to accept for purchase any remaining Notes that have been validly tendered and not validly withdrawn after the Early Tender Deadline and at or prior to the Expiration Date promptly following the Expiration Date on the Final Settlement Date (as defined in the Offer to Purchase and Consent Solicitation Statement), which is expected to occur promptly following the Expiration Date.

In addition, holders of all Notes validly tendered and accepted for purchase pursuant to the tender offer and consent solicitation will receive accrued and unpaid interest on such Notes from the last interest payment date with respect to such Notes to, but not including, the Early Settlement Date or the Final Settlement Date, as applicable.

Cheniere Partners' obligations to accept Notes and Consents on the Early Settlement Date or the Final Settlement Date, as applicable, are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase and Consent Solicitation Statement, including, among others, Cheniere Partners consummating the Financing Condition (as defined in the Offer to Purchase and Consent Solicitation Statement) on terms satisfactory to it, and having funds available therefrom that will allow it to purchase the Notes pursuant to the tender offer and consent solicitation.

In addition, because Cheniere Partners received Consents in respect of a majority of the aggregate principal amount of the Notes then outstanding (excluding Notes held by Cheniere Partners or its affiliates) (the "Requisite Consents") as of the Early Tender Deadline, Cheniere Partners expects to execute and deliver a supplemental indenture to the Indenture giving effect to the Proposed Amendment promptly after accepting for purchase the Early Tender Notes on the Early Settlement Date. The Proposed Amendment is expected to become operative on the Early Settlement Date, after which Cheniere Partners intends to issue a notice of redemption to redeem all of the Notes not purchased pursuant to the tender

offer and consent solicitation on the Early Settlement Date. This press release shall not constitute a notice of redemption under the Indenture or an obligation to issue a notice of redemption.
