AxoGen, Inc. to Report Fourth Quarter and 2016 Full Year Financial Results and Host Conference Call on Wednesday, February 22, 2017

ALACHUA, Fla., Feb. 08, 2017 (GLOBE NEWSWIRE) -- AxoGen, Inc. (NASDAQ:AXGN), a global leader in developing and marketing innovative surgical solutions for peripheral nerve injuries, today announced that it will report fourth quarter and 2016 full year financial results on Wednesday, February 22, 2017 after the market closes. AxoGen management will host an investment-community conference call and web cast following the release at 4:30 p.m. ET to discuss the financial results and provide a corporate update.

Investors interested in participating in the conference call by phone may do so by dialing toll free at (877) 407-0993, or use the direct dial-in number at (201) 689-8795. Those interested in listening to the conference call live via the Internet may do so by visiting <http://axogeninc.equisolvewebcast.com/q4-2016>.

Following the conference call, a replay will be available in the Investors section of the company's website at www.axogeninc.com.

About AxoGen, Inc.

AxoGen (AXGN) is a global leader in innovative surgical solutions for peripheral nerve injuries. AxoGen's portfolio of products includes Avance[®] Nerve Graft, an off-the-shelf processed human nerve allograft for bridging severed nerves without the comorbidities associated with a second surgical site, AxoGuard[®] Nerve Connector, a porcine submucosa extracellular matrix (ECM) coaptation aid for tensionless repair of severed nerves, AxoGuard[®] Nerve Protector, a porcine submucosa ECM product used to wrap and protect injured peripheral nerves and reinforce the nerve reconstruction while preventing soft tissue attachments, and Avive[™] Soft Tissue Membrane, a minimally processed human umbilical cord membrane that may be used as a soft tissue covering to reduce inflammation and scar tissue formation. Along with these core surgical products, AxoGen also offers AxoTouch[™] Two-Point Discriminator and AcroVal[™] Neurosensory & Motor Testing System. These evaluation and measurement tools assist health care professionals in detecting changes in sensation, assessing return of sensory, grip, and pinch function, evaluating effective treatment interventions, and providing feedback to patients on nerve function. The AxoGen portfolio of products is available in the United States, Canada, the United Kingdom, and several European and international countries.

Cautionary Statements Concerning Forward-Looking Statements

This Press Release contains "forward-looking" statements as defined in the Private Securities Litigation Reform Act of 1995. These statements are based on management's current expectations or predictions of future conditions, events, or results based on various assumptions and management's estimates of trends and economic factors in the markets in which we are active, as well as our business plans. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," "projects," "forecasts," "continue," "may," "should," "will," and variations of such words and similar expressions are intended to identify such forward-looking statements. The forward-looking statements may include, without limitation, statements regarding our growth, our 2017 guidance, product development, product potential, financial performance, sales growth, product adoption, market awareness of our products, data validation, our visibility at and sponsorship of conferences and educational events. The forward-looking statements are subject to risks and uncertainties, which may cause results to differ materially from those set forth in the statements. Forward-looking statements in this release should be evaluated together with the many uncertainties that affect AxoGen's business and its market, particularly those discussed in the risk factors and cautionary statements in AxoGen's filings with the Securities and Exchange Commission. Forward-looking statements are not guarantees of future performance, and actual results may differ materially from those projected. The forward-looking statements are representative only as of the date they are made and, except as required by law, AxoGen assumes no responsibility to update any forward-looking statements, whether as a result of new information, future events, or otherwise.
