Paychex Announces Acquisition of myStaffingPro

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., a leading provider of [payroll](#), [human resource](#), and [benefits outsourcing](#) solutions for small- to medium-sized businesses, today announced it has acquired HR Services, Inc. and myStaffingPro, its award-winning Software-as-a-Service (SaaS) applicant tracking suite. HR Services, Inc., founded in 1993, is based in Lima, Ohio, and now operates as a wholly owned subsidiary of Paychex.

myStaffingPro is a comprehensive web-based system that offers social recruiting, applicant tracking, and onboarding in a scalable, configurable solution. Launched in 1999, the myStaffingPro applicant tracking suite provides technology that streamlines, simplifies, and drives the applicant workflow and hiring process for companies of all sizes.

“Paychex is focused on delivering solutions to our clients that combine innovative technology with superior customer service, while driving growth for the company and expanding the markets we serve,” said Martin Mucci, Paychex president and chief executive officer. “With this acquisition we are able to combine the myStaffingPro technology and expertise with Paychex resources to strengthen our portfolio of human resource service solutions, and provide an industry-leading applicant tracking and recruiting services solution for our clients.”

The myStaffingPro platform recently received a bronze award in the 8th Annual 2013 Hot Companies and Best Products Award in the cloud computing/SaaS category. These industry and peer recognitions from Network Products Guide are the world's premier information technology awards honoring achievements and recognitions in every facet of the IT industry.
