Paychex Insurance Agency Ranks 26th on Top 100 List of U.S. Insurance Firms

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex Insurance Agency, a wholly owned subsidiary of Paychex, Inc., ranks number 26 on *Business Insurance* magazine's 2015 list of the Top 100 Brokers of U.S. Business. In the agency's fifth appearance on the list, it ranks as one of the fastest growing agencies in the nation. In its annual list, *Business Insurance*, the leading trade magazine for the commercial insurance industry, ranks agents and brokers based on revenues generated by U.S.-based clients.

"Consistently ranking among the top U.S. firms is an honor and a testament to our expert insurance agents who continue to develop modern and comprehensive solutions to the increasingly complex insurance needs of business owners and their employees," said [Kevin Hill](#), Paychex vice president of insurance and HR Solutions services. "It also speaks to our unique business model and ability to deliver value to our clients through the integration of insurance and payroll data that is unrivaled in our market space."

The *Business Insurance* listing showed the agency experienced year-over-year growth of over 11 percent. The increase was helped significantly by sizable growth of the property and casualty insurance business and expansion of the agency's health care reform support products in 2014.
