Herbalife Family Foundation Establishes Casa Herbalife Program in St. Petersburg, Russia

LOS ANGELES--(BUSINESS WIRE)-- The Herbalife Family Foundation has established a Casa Herbalife program at the Children's Ark in St. Petersburg, Russia to help provide good nutrition to the children.

The grant will be used to supplement the charity's current food budget and improve kitchen facilities at the center. The center was established in 1998 and, with the help of over 500 volunteers, it is now the largest non-government orphanage in the city. Presently, 64 children aged 2-18 live there.

This is the 2nd Casa Herbalife program to be established in Russia; the first opened at the Udelnaya Orphanage in Moscow in May 2007. It is the 43rd Casa Herbalife program to be established worldwide. After an initial grant from HFF, local Herbalife independent distributors and employees will support the program through volunteerism and fundraising.

HFF is a 501(c)(3), non-profit corporation dedicated to improving children's lives by helping organizations provide healthy nutrition to children at risk. Additionally, HFF often supports relief efforts in response to natural disasters.
