The Company disclaims any obligation to update or revise the forward-looking statements herein.

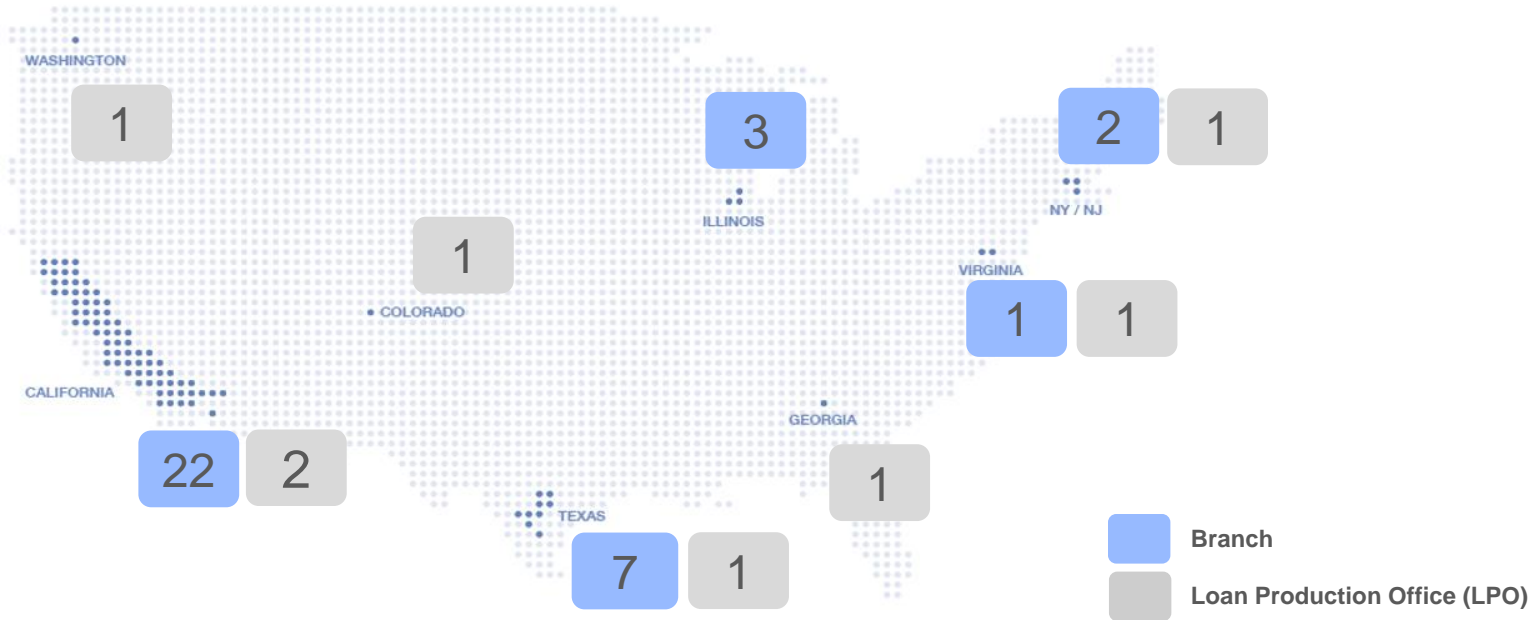

Non-GAAP Financial Information

This presentation contains financial information determined by methods other than in accordance with accounting principles generally accepted in the United States of America (“GAAP”). These non-GAAP measures include tangible common equity to tangible assets, and tangible common equity per share. Management uses these “non-GAAP” measures in its analysis of the Company’s performance. Management believes these non-GAAP financial measures allow for better comparability of period to period operating performance. Additionally, the Company believes this information is utilized by regulators and market analysts to evaluate a company’s financial condition and therefore, such information is useful to investors. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. A reconciliation of the non-GAAP measures used in this presentation to the most directly comparable GAAP measures is provided in the Appendix to this presentation.

(1) Commercial Real Estate (CRE) is a combination of Investor Owned, Owner Occupied, Multifamily, and Construction. Investor Owned (or non-owner occupied) property is where the investor does not occupy the property. The primary source of repayment stems from the rental income associated with the respective properties. Owner occupied property is where the borrower owns the property and also occupies it. The primary source of repayment is the cash flow from the ongoing operations and activities conducted by the borrower/owner. Multifamily real estate is a residential property that has 5 or more housing units

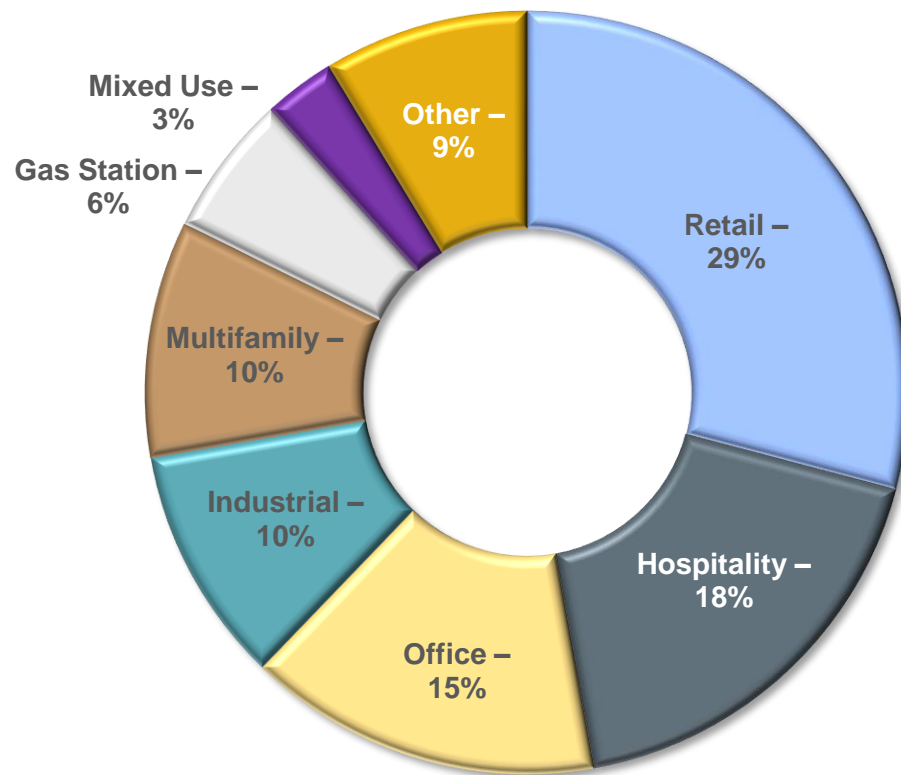

(2) Residential real estate is a loan (mortgage) secured by a single family residence, including one to four units (duplexes, triplexes, and fourplexes). RRE also includes \$2.2 million of HELOCs and \$4.6 million in consumer loans

(3) Weighted average DCR and weighted average LTV when the loan was first underwritten or renewed subsequently
