NEW YORK, Dec. 11, 2019 /PRNewswire/ -- Celebrity personality and fashion expert Clinton Kelly shared his holiday tips at an exclusive event hosted by GiftNow, a Synchrony (NYSE: SYF) solution, held at the Arlo Soho Hotel on Tuesday, December 10, 2019, in New York.

GiftNow is the easiest way to give a thoughtful gift instantly, without knowing the size, color preference, or shipping address even at the last minute. Simply shop online, pick out the perfect gift and the recipient gets a text or email notification with your gift. They can accept the gift as designed by you, or customize it in the right size, color, style or change it all together to a different item even before it is shipped directly to them.

Gift selections are nearly unlimited and are available from GiftNow's top retail partners like Target, Uniqlo, Michael Kors, Neiman Marcus, Coach, Kate Spade and others.

GiftNow can be used directly from its own site (GiftNow.com), or at the checkout of its partner sites.
