Veritone, Inc. Announces Pricing of Public Offering of Common Stock

COSTA MESA, Calif.--(BUSINESS WIRE)-- Veritone, Inc. (NASDAQ: VERI), a leading provider of cloud-based artificial intelligence (AI) analytics and cognitive solutions, today announced the pricing of an underwritten public offering of 975,000 shares of its common stock at a public offering price of \$23.00 per share. The gross proceeds to Veritone from this offering are expected to be approximately \$22,425,000, before deducting underwriting discounts and commissions and other estimated offering expenses payable by Veritone. The offering is expected to close on or about November 21, 2017, subject to the satisfaction of customary closing conditions. Veritone has also granted the underwriters a 30-day option to purchase up to an additional 146,250 shares of its common stock, to cover over allotments, if any.

Roth Capital Partners and Craig-Hallum Capital Group LLC are acting as joint book-running managers of the offering.

Veritone intends to use the net proceeds from the offering for working capital and other general corporate purposes.

The shares will be issued pursuant to an effective registration statement on Form S-1 that was previously filed with the Securities and Exchange Commission ("SEC"). A preliminary prospectus has been filed with the SEC and is available on the SEC's website at www.sec.gov. Copies of the prospectus relating to the offering may be obtained, when available, from Roth Capital Partners, Attention: Equity Capital Markets, 888 San Clemente Drive, Newport Beach, California 92660, by telephone at (800) 678-9147 or e-mail at rothecm@roth.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, any security in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.

About Veritone, Inc.

Veritone is a leading artificial intelligence company that has developed a unique platform, aiWARE, which unlocks the power of AI-based cognitive computing to transform and analyze unstructured public and private audio and video data for clients in a variety of markets, including media, politics, legal and government. Forward-Looking Statements

Certain statements contained in this release, including with respect to the proposed offering and the intended use of the proceeds of the offering, are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, as amended. Statements pertaining to future financial and/or operating results, future growth in technology, development, and potential opportunities for Veritone and its subsidiaries, along with other statements about the future expectations, beliefs, goals, plans, or prospects expressed by management constitute forward-looking statements. In addition, words such as “may,” “will,” “expect,” “believe,” “anticipate,” “intend,” “plan,” “should,” “could,” “estimate” or “continue” or the plural, negative or other variations thereof or comparable terminology are intended to identify forward-looking statements, and any statements that refer to expectations, projections or other characterizations of future events or circumstances are forward-looking statements. These forward-looking statements speak only as of the date hereof, and are based on management’s current assumptions, beliefs and information. As such, the actual results could differ materially and adversely from those expressed in any forward-looking statement as a result of various factors. Actual results may differ materially from the results anticipated in these forward-looking statements and as such should be evaluated together with the many uncertainties that affect the business of Veritone and its subsidiaries, particularly those mentioned in the cautionary statements found in more detail in the “Risk Factors” section of its Registration Statement on Form S-1 and most recent Quarterly Report on Form 10-Q filed with the SEC (copies of which may be obtained at <https://www.sec.gov>). Subsequent events and developments may cause these forward-looking statements to change. Veritone specifically disclaims any obligation or intention to update or revise these forward-looking statements as a result of changed events or circumstances that occur after the date of this release, except as required by applicable law.
