Red Robin Gourmet Burgers Achieves 400 Restaurant Mark, Continues Washington Expansion With Opening of Covington Restaurant

Casual dining restaurant to donate 50 cents from every gourmet burger sold to the National Center for Missing & Exploited Children during opening week

GREENWOOD VILLAGE, Colo., June 11 /PRNewswire-FirstCall/ -- Red Robin Gourmet Burgers, Inc. (Red Robin) will open its 34th Washington restaurant and 400th restaurant in North America in Covington, located at 27193 185th Ave. SE, on the corner of 272nd and 185th Avenues in front of Home Depot, on Monday, June 16, at 11 a.m. Red Robin serves high-quality gourmet burgers, appetizers, entrees, salads and beverages in a kid- and family-friendly atmosphere. As part of its grand opening celebrations, the Covington Red Robin(R) restaurant will host a Burgers With A Heart(R) fundraiser to benefit the National Center for Missing & Exploited Children (NCMEC).

Through Burgers With a Heart(R), Red Robin will donate 50 cents from every gourmet burger sold to NCMEC during grand-opening week from June 16 to 22. NCMEC is a non-profit organization whose mission is to help prevent child abduction and sexual exploitation; help find missing children; and assist victims of child abduction and sexual exploitation, their families, and the professionals who serve them. The money raised will help bring prevention education to children nationwide.

"On behalf of the National Center for Missing & Exploited Children, I would like to thank Red Robin for their generous support of our mission," said Robbie Callaway, NCMEC co-founder and past Chairman of the Board. "It is important that we empower families to make safer decisions for their children, and communication and education are vital tools in that effort. With Red Robin's support, we are able to reach many more families across the country with our messages of child safety."

"We are thrilled to be expanding the Red Robin family of restaurants in Washington, while also supporting such a wonderful family-oriented cause," said Eric Houseman, Red Robin president and chief operating officer. "We invite everyone to come to Red Robin and enjoy one of our more than two dozen high-quality gourmet burgers to support the National Center for Missing & Exploited Children as we open our newest restaurant in Covington and our 400th restaurant in North America."

Red Robin focuses its philanthropic support on local and national causes that promote the

health, welfare and education of children, families and citizens in the communities it serves. Because Red Robin is all about kids and families, its ongoing partnership with NCMEC has continued to grow through the company's new restaurant openings and additional programs such as "The Next Gourmet Burger Kids' Recipe Contest" since 2006.

The 5,164-square-foot Covington Red Robin(R) restaurant will seat 194 guests. Red Robin has 33 additional restaurants in Washington, including three locations each in Seattle and Spokane, two locations each in Bellevue, Redmond and Vancouver, and single locations in Auburn, Bellingham, Burlington, Des Moines, Everett, Federal Way, Issaquah, Kennewick, Kent, Lynnwood, Marysville, Monroe, Olympia, Puyallup, Renton, Silverdale, Tacoma, Tukwila, Wenatchee, Woodinville and Yakima.
