**MacDermid Enthone Industrial Solutions Announces the Promotions  
of Richard Lynch and Glen Breault**

(Waterbury, CT USA) – MacDermid Enthone Industrial Solutions announces the promotions of Rich Lynch as VP MacDermid Enthone Industrial Solutions and Glen Breault to VP North America Industrial Solutions.

Rich has held the position of VP of the Americas MEIS for the past several years and has been an active leader in the metal finishing industry for more than 30 years. He began his career in manufacturing before moving into technical service then sales. Rich has held several senior management positions in supply chain, sales, marketing and regional management. Rich currently serves on the Board of Directors for the NASF and is also a member of its Government Advisory Committee.

Glen has 25 years of experience in the automotive industry and is well known to our business, internally and externally, for leading our highly successful OEM Team over the past 8 years with MacDermid Enthone. Glen's industry knowledge and global experience will serve him well in his new role.

These two leadership promotions will enable us to further refine our efforts to meet current and future customers' needs for high quality, profitable, and environmentally sustainable solutions.
