XTI Aerospace's Inpixon Wins the 2025 RTLS Solution of the Year Award

ENGLEWOOD, Colo., Feb. 7, 2025 /PRNewswire/ -- XTI Aerospace, Inc. (Nasdaq: XTIA) ("XTI Aerospace" or the "Company"), a pioneer in VTOL and Powered-Lift aircraft solutions, today announced that Inpixon, a business unit of XTI Aerospace and a leader in real-time location systems (RTLS) technology, has been honored with the prestigious "RTLS Solution of the Year 2025" award at the 9th annual [IoT Breakthrough](#) Awards. Competing against over 40 other innovative entrants, Inpixon was recognized for its outstanding work in delivering cutting-edge real-time location services (RTLS) solutions that enhance operational efficiency, safety, and decision-making across industries.

Steve Johansson, managing director at IoT Breakthrough, said, "Inpixon RTLS is driving significant value through technology-agnostic, scalable, and full-stack solutions that are key to unlocking smarter operations, reducing costs, enhancing safety, and improving decision-making through real-time visibility. Congratulations on winning our RTLS Solution of the Year award."

The IoT Breakthrough Awards program is produced by [IoT Breakthrough](#), a leading market intelligence organization that recognizes the top companies, technologies and products in the global Internet-of-Things (IoT) market today.

"We are thrilled to congratulate Inpixon on receiving the 2025 RTLS Solution of the Year award," said Scott Pomeroy, CEO and Chairman of XTI Aerospace. "This recognition not only highlights Inpixon's exceptional innovation and leadership in the RTLS space, but it also demonstrates the tremendous value Inpixon brings to XTI Aerospace as a whole. Inpixon's advancements in location-aware technology are integral to our broader vision of driving growth and efficiency across our portfolio. This achievement is a testament to the dedication and expertise of the Inpixon team, and we look forward to continuing to push the boundaries of what's possible with RTLS, AI and IoT."

"We are truly honored to receive the 2025 RTLS Solution of the Year award," said Soumya Das, CEO of Inpixon. "This achievement reflects our dedication to delivering state-of-the-art, AI-powered location-aware solutions that help our clients navigate the complexities of the modern workplace. We would like to extend our deepest thanks to our dedicated team, partners, and customers who have played an essential role in making this possible. Together, we continue to lead the way in driving the future of Industry 4.0."

Inpixon's RTLS solutions provide real-time insights into the location and movement of assets, equipment, and personnel, helping organizations streamline their operations, enhance safety, and optimize overall business performance. As a leader in location-aware technology, Inpixon's solutions serve as a vital resource in industries such as manufacturing, logistics, mining, government, and more.
