I. General Focus

The Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of NeoGenomics, Inc., a Nevada corporation (the “Corporation”), shall discharge the responsibilities of the Board in: (i) fulfilling its responsibilities in connection with the compensation of the Corporation’s directors, officers and employees, and oversight of the compensation programs of the Corporation; (ii) assisting the Board in developing succession plans for the Corporation’s executives; and (iii) providing general oversight over organizational culture programs and practices to ensure such programs of the Corporation are fair and appropriate and are designed to attract, retain and motivate employees.

II. Structure and Operations

The Committee shall be comprised of three (3) or more members of the Board, each of whom is determined by the Board to be “independent” under the rules of The NASDAQ Stock Market[®] (“NASDAQ”). At least two (2) members must satisfy the requirements of a “non-employee director” for purposes of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. The Board shall select members based upon their knowledge and experience in compensation matters and with care to avoid any conflicts of interest.

Each member of the Committee shall be appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier resignation or removal. The members of the Committee may be removed, with or without cause, by majority vote of the Board at any time.

The Board shall elect the Chair of the Committee. Although the Committee will strive toward consensus, the Chair shall be entitled to cast an additional vote to resolve any ties. The Chair will approve the agendas for Committee meetings.

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee, including to a subcommittee comprised solely of one (1) director. The Committee also shall be entitled to delegate its authority to one (1) or more directors (whether or not such directors serve on the Committee) as the Committee deems appropriate; provided, however, that the Committee shall not delegate any power or authority required by law, regulation or listing standard to be exercised by the Committee as a whole.

III. Meetings

The Committee shall meet as frequently as circumstances dictate. The Chair of the Committee or a majority of the members of the Committee may call a special meeting of the Committee.

All non-management directors who are not members of the Committee may attend meetings of the Committee, but may not vote. Additionally, the Committee may invite to its meetings any director, member(s) of management of the Corporation and such other persons as it deems appropriate in order to carry out its responsibilities. The Chief Executive Officer (“CEO”) may not be present during deliberations on his or her compensation. The Committee may also exclude from its meetings any person it deems appropriate in order to carry out its responsibilities.

A majority of the Committee members, but not less than two (2), will constitute a quorum. A majority of the Committee members present at any Committee meeting at which a quorum is present may act on behalf of the Committee. The Committee may meet by telephone or videoconference and may take action by unanimous written consent.

The Committee shall appoint a person, who need not be a member, to act as secretary, and minutes of the Committee’s proceedings shall be kept in minute books provided for that purpose. The agenda of each Committee meeting will be prepared by the secretary and, whenever reasonably practicable, circulated to each Committee member prior to each meeting.

IV. Responsibilities and Duties

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions shall serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate and shall have the sole authority to retain or terminate outside counsel or other experts for this purpose, including the authority to approve the fees payable to such counsels or experts and any other terms of retention.

A. Setting Compensation for Executive Officers and Directors

2. Based upon input from the Nominating and Corporate Governance (“NCG”) Committee

regarding the performance of the CEO and other executive officers, review and approve the annual salary, bonus, long-term incentive compensation, including equity-based compensation, and other benefits, direct and indirect, of the CEO and other executive officers.

3. In connection with executive compensation programs:

 - (iv) Review on a periodic basis the aggregate amount of compensation paid or potentially payable to the CEO and other executive officers through the use of tally sheets or such other method as the Committee may determine;
 - (v) Review and approve, on a periodic basis, a peer group of companies to be used for marketplace trend analysis to assess the competitiveness of the Corporation's total compensation opportunities for the CEO and other executive officers and to ensure that such comparator organizations are appropriate; and

4. Review and recommend to the full Board the compensation of directors.
5. Review and make recommendations to the full Board, or approve, any contracts or other transactions with executive officers of the Corporation, including consulting arrangements, employment contracts and severance or termination arrangements, or any revisions thereto. 7. Review the risks associated with the Corporation's compensation policies and practices to determine whether any risks associated with such policies and practices encourage unnecessary or excessive risk-taking or are reasonably likely to have a material adverse

B. Monitoring Incentive and Equity-Based Compensation Plans

3. Review and recommend for Board approval all equity compensation plans to be submitted for shareholder approval under the NASDAQ listing standards; provided, however, that any equity compensation plan that satisfies an exception to the NASDAQ's listing standards shall not be required to be approved by the Corporation's shareholders.

5. Select, retain and/or replace, as needed, compensation and benefits consultants and other outside consultants to provide independent advice to the Committee. In selecting, retaining and/or replacing a compensation consultant, the Committee shall take into consideration the following factors (as well as any other factors that may be required under the NASDAQ market rules): (i) the provision of other services to the Corporation by the person that employs the compensation consultant; (ii) the amount of fees received from the Corporation by the person that employs the compensation consultant, as a percentage of the total revenue of the person that employs the compensation consultant; (iii) the policies and procedures of the person that employs the compensation consultant that are designed to prevent conflicts of interest; (iv) any business or personal relationship of the compensation consultant with a member of the Committee; (v) any stock of the Corporation owned by the compensation consultant; and (vi) any business or personal relationship of the compensation consultant or the person employing the compensation consultant with an executive officer of the Corporation. In the event the Committee retains a compensation consultant, the Committee shall have the sole authority to approve such consultant's fees and other retention terms.

- (ii) Identification, cultivation and promotion of talented individuals within the executive management team as part of the succession planning process.
2. Request that the CEO periodically provide the Committee with an assessment of members of executive management and their potential to succeed him or her. The CEO shall also provide the Committee with an assessment of persons considered to be potential successors to certain other executive management positions, including a review of any development plans recommended for such individuals.
