# Trademark Collection by Wyndham Marks Milestone, Surpasses 100 U.S. Hotels

*Doubling in size in the last five years, brand's double-digit YOY growth reflects rising interest from independents eager to tap into the power of the world's largest hotel franchisor*

PARSIPPANY, N.J., March 16, 2026 /PRNewswire/ -- Wyndham Hotels & Resorts, the world's largest hotel franchisor with more than 8,300 hotels spanning approximately 100 countries, is celebrating a major milestone for its Trademark Collection by Wyndham brand: more than 100 hotels now open across the U.S.

The achievement highlights a rapid rise for the highly-sought-after soft-brand, which, as the fastest growing in the U.S., has doubled the size of its domestic portfolio in the last five years as independents increasingly turn to Wyndham to help pair their hotels' unique character and individuality with the reach and revenue driving power of a global hospitality leader. That demand has also helped the brand grow to nearly 350 hotels globally with more than 100 additional hotels in the pipeline.
