Artelo Biosciences CEO to Appear on Benzinga All Access on April 23rd at Approximately 10:50 AM Eastern Time

SOLANA BEACH, Calif., April 22, 2024 (GLOBE NEWSWIRE) -- [Artelo Biosciences, Inc.](https://www.artelobio.com) (Nasdaq: ARTL), a clinical-stage pharmaceutical company focused on modulating lipid-signaling pathways to develop treatments for people living with cancer, pain, dermatologic and neurological conditions, today announced that Gregory D. Gorgas, President and Chief Executive Officer of Artelo, will be a featured guest on the Benzinga All Access show.

Mr. Gorgas is scheduled to appear on Tuesday, April 23, 2024, at approximately 10:50 a.m. Eastern Time.

The event will be broadcast live and can be viewed at <https://youtube.com/live/ZOUr1RBYCRE?feature=share>. An archived recording of the presentation will be available on the investor relations section of the Company's website at <https://ir.artelobio.com/news-events/ir-calendar>.

About Benzinga All Access

Benzinga All Access is a first-of-its-kind show: part interview, part investor presentation. On All Access, Benzinga partners with companies to bring you in-depth one-on-one conversations with executives across a wide range of industries and asset classes. From emerging biotechs, to alternative real estate investment platforms, to everything in between, guests on All Access have one thing in common: they want to tell their story to investors.

About Artelo Biosciences

Artelo Biosciences, Inc. is a clinical stage pharmaceutical company dedicated to the development and commercialization of proprietary therapeutics that modulate lipid-signaling pathways including the endocannabinoid system. Artelo is advancing a portfolio of broadly applicable product candidates designed to address significant unmet needs in multiple diseases and conditions, including anorexia, cancer, anxiety, pain, and inflammation. Led by proven biopharmaceutical executives collaborating with highly respected researchers and technology experts, the company applies leading edge scientific, regulatory, and commercial discipline to develop high-impact therapies. More information is available at www.artelobio.com and Twitter: [@ArteloBio](https://twitter.com/ArteloBio).

Forward Looking Statements

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and Private Securities Litigation Reform Act, as amended, including those relating to the Company's product development, clinical and regulatory timelines, market opportunity,

competitive position, possible or assumed future results of operations, business strategies, potential growth opportunities and other statement that are predictive in nature. These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industry and markets in which we operate and management's current beliefs and assumptions. These statements may be identified by the use of forward-looking expressions, including, but not limited to, "expect," "anticipate," "intend," "plan," "believe," "estimate," "potential," "predict," "project," "should," "would" and similar expressions and the negatives of those terms. These statements relate to future events or our financial performance and involve known and unknown risks, uncertainties, and other factors which may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include those set forth in the Company's filings with the Securities and Exchange Commission, including our ability to raise additional capital in the future. Prospective investors are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this press release. The Company undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise, except to the extent required by applicable securities laws.
