LOS ANGELES--(BUSINESS WIRE)-- Rexford Industrial Realty, Inc. (the “Company” or “Rexford Industrial”) (NYSE:REXR), a real estate investment trust focused on owning and operating industrial properties located in Southern California infill markets, today announced the acquisition of 6020 Sheila Street, a single tenant industrial building located in central Los Angeles, for \$12.2 million, or approximately \$172 per square foot. The acquisition was funded with cash on hand and borrowings under the Company’s line of credit.

“This well-located industrial property acquisition is a highly functional, modern vintage cold storage facility that demonstrates our ability to source off market, best-in-class investments at attractive returns” said Howard Schwimmer and Michael Frankel, Co-Chief Executive Officers of the Company. “Located in high-demand City of Commerce, we consummated a lease during escrow with an existing Rexford tenant for the entire space under a new, 10-year triple net lease. This acquisition provides an accretive opportunity to achieve above-market stabilized returns in a supply constrained market and brings our year-to-date acquisition volume to over \$162 million.”

6020 Sheila Street is a single tenant cooler/freezer building containing 70,877 square feet on 2.91 acres of land in City of Commerce, California. The building features 36’ clear height cubic storage capacity with 12 dock-high loading doors. The property is located in the Central Los Angeles submarket.
