SDI Announces Closing of Non-Brokered Private Placement

NOT FOR DISSEMINATION OR DISTRIBUTION IN THE UNITED STATES

TAMPA, Fla.--(BUSINESS WIRE)-- (TSX-V:SDZ) (OTCQB:SDEV)

Security Devices International Inc. ("SDI" or "The Company") is a defense technology company specializing in the development, manufacturing and sale of innovative, next generation less-lethal ammunition.

The Company has today completed the issuance of 7,575,757 common shares for proceeds of USD\$2,500,000 previously announced on May 29, 2015. This was a non-brokered private placement and there were no broker commissions or fees associated with this private placement. The shares are subject to a hold period expiring on October 20, 2015 under stock exchange rules and Canadian securities legislation, and a hold period expiring on June 20, 2016 under SEC rules.

Security Devices International President, Gregory Sullivan states, "the significance of this financing, being to a sole investment entity, demonstrates their belief in SDI's products and validates our business model as we move forward with continued market penetration. This financing will assist SDI in moving into the next stage of our growth and expansion phase. We look to increase our global customer base, giving Military, Law Enforcement and Correctional Service Agencies worldwide, the ability to seek alternatives to violent encounters".

About Security Devices International
