# Ralliant Announces Quarterly Dividend

RALEIGH, N.C.--(BUSINESS WIRE)-- Ralliant Corporation ("Ralliant" or the "Company") (NYSE: RAL) announced today that its Board of Directors ("the Board") has approved a quarterly cash dividend of \$0.05 per share of its common stock, payable on September 23, 2025 to stockholders of record as of the close of business on September 8, 2025.

Tami Newcombe, President and Chief Executive Officer, stated, "We are making progress against our capital allocation priorities to focus on organic reinvestment, capital return to shareholders, and selective execution of tuck-in acquisitions aligned with our growth vectors. This announcement of our inaugural quarterly dividend, along with our prior announcement of the Board's authorization of up to \$200 million of share repurchases demonstrate our commitment to return capital to shareholders."

## About Ralliant

Ralliant is a global provider of precision technologies that specializes in designing, developing, manufacturing and servicing precision instruments and highly engineered products. Ralliant's two strategic reporting segments — Test & Measurement and Sensors & Safety Systems — include well-known brands with leading positions in their markets. The Company's businesses empower engineers with precision technologies essential for breakthrough innovation that brings advanced technologies to the market faster and more efficiently. With over 150 years of operating experience and enduring customer trust, we are known for delivering innovative, high-quality products with the precision that mission-critical systems demand. Ralliant is headquartered in Raleigh, North Carolina and employs a team of approximately 7,000 research and development, manufacturing, sales, distribution, service and administrative employees. The Company's global footprint enables a unique 'engineer to engineer' approach, which allows it to build enduring trust, credibility, and partnerships with customers across both Fortune 1000 companies and next generation start-up enterprises. With a culture rooted in continuous improvement, the core of our company's operating model is the Ralliant Business System. ## Forward-Looking Statements

Certain statements included in this press release are "forward-looking statements" within the meaning of the U.S. federal securities laws. All statements other than historical factual information are forward-looking statements, including, without limitation, statements regarding: business outlook and priorities; future financial performance and results, including outlook and guidance; revenue growth; cash flows, our liquidity position or other financial measures; management's plans and strategies for future operations and growth, including statements relating to anticipated operating performance, cost reductions, restructuring activities, new product and service developments, competitive strengths or market position, acquisitions, divestitures, strategic opportunities, shareholder value creation, capital allocation priorities, stock repurchases and dividends; the effects of the separation from Fortive on our business; growth, declines and other trends in markets we sell into, including the expected impact of trade and tariff policies; changes in government contracting requirements and reductions in federal spending; new or modified laws, regulations and

accounting pronouncements; outstanding claims, legal proceedings, tax audits and assessments and other contingent liabilities; foreign currency exchange rates and fluctuations in those rates; tax rates, tax provisions, and the impact of changes to tax laws; general economic and capital markets conditions, including expected impact of inflation or interest rate changes; impact of geopolitical events and other hostilities; the timing of any of the foregoing; assumptions underlying any of the foregoing; and any other statements that address events or developments that we intend or believe will or may occur in the future.

Terminology such as “believe”, “expect”, “anticipate”, “forecast”, “positioned”, “intend”, “plan”, “project”, “estimate”, “grow”, “will”, “should”, “could”, “would”, “may”, “strategy”, “opportunity”, “possible”, “potential”, “outlook”, “target”, and “guidance” and similar references to future periods are intended to identify forward-looking statements, although not all forward-looking statements are accompanied by such words. Forward-looking statements are based on assumptions and assessments made by our management in light of their experience and perceptions of historical trends, current conditions, expected future developments and other factors they believe to be appropriate. These forward-looking statements are subject to a number of risks and uncertainties, including but not limited to the risks and uncertainties set forth under “Cautionary Statement Concerning Forward-Looking Statements”, “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Company’s Information Statement filed as an exhibit to the Company’s Form 10-12B/A with the U.S. Securities and Exchange Commission (the “SEC”) on May 28, 2025, and in other documents that we have filed with, or furnished to, the SEC.

Forward-looking statements are not guarantees of future performance and actual results may differ materially from the results, developments and business decisions contemplated by our forward-looking statements. Accordingly, you should not place undue reliance on any such forward-looking statements. Forward-looking statements speak only as of the date they are made (or such earlier date as may be specified in such statement). Except to the extent required by applicable law, Ralliant assumes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events, and developments or otherwise.
