Medytox Solutions, Inc. Names New Chief Compliance Officer, Steven Burdelski

Burdelski, a Former FBI Executive Manager, to Develop and Maintain Policies and Procedures, Monitor Standards of Conduct

WEST PALM BEACH, FL -- (Marketwired) -- 09/03/15 -- Medytox Solutions, Inc. (OTCQB: MMMS) announces the appointment of **Steven Burdelski** to the position of Chief Compliance Officer. Mr. Burdelski will lead the compliance department in reviewing and evaluating compliance issues and concerns, ensuring that the board of directors, management, and employees meet the high legal expectations of growing public companies like Medytox Solutions.

Mr. Burdelski previously served as an executive manager of the Federal Bureau of Investigation (FBI), where he was responsible for strategic planning and leadership of all FBI investigative programs such as criminal, cyber, counterterrorism, counterintelligence, and critical incident management, as well as overseeing all administrative functions in the Bureau's Tampa office. He was responsible for daily management of 400 employees to ensure their compliance with organizational policy, as well as federal and state laws. He was also named Inspector in Place for the FBI and was responsible for ensuring corporate and legal compliance to improve performance. Prior to his position at the FBI, Mr. Burdelski served on the Maryland Police Department from 1987 to 1995, where he was promoted to the rank of Sergeant.

"Compliance is, without doubt, one of the biggest considerations in our sector," said Seamus Lagan, CEO of Medytox Solutions, Inc. "We are fully committed to the highest standards and being proactive in compliance in all areas of our business, and Steve's leadership will strengthen our ability to do so."

Mr. Burdelski is the recipient of multiple awards in his previous role at the FBI. He received the FBI Director's Award for "Excellence in Support of the Integrity and Compliance Program," in addition to excellence awards for his investigation of a wide variety of criminal violations, including domestic and international counterterrorism, fraud, robbery, and white collar crime.

"My experience with the Federal Bureau of Investigation has prepared me for complex work in a compliance-driven industry," added Mr. Burdelski. "My investigative capabilities will assist our team in developing new policies and procedures. I look forward to collaborating with Medytox's expanding departments to further refine channels for investigation and resolution."

Mr. Burdelski lives in Hobe Sound, Florida and holds an M.S. in leadership from Palm Beach

Atlantic University.
