RENNOVA HEALTH ANNOUNCES CONFIRMATION FROM TENNESSEE DEPARTMENT OF HEALTH THAT A NEW TENNESSEE MEDICAID ID NUMBER HAS BEEN ISSUED TO JELICO COMMUNITY HOSPITAL

WEST PALM BEACH, Fla, May 22, 2019 (GLOBE NEWSWIRE) -- **Rennova Health, Inc. (OTC: RNVA), (OTC: RNVAW)** ("Rennova" or the "Company"), a vertically integrated provider of industry-leading diagnostics and supportive software solutions to healthcare providers that acquired Jellico Community Hospital, its third rural hospital in Tennessee, at the beginning of March 2019, announces that it has received confirmation from the Tennessee Department of Health that they have issued a TennCare-Medicaid license number, effective from March 1, 2019, to Jellico Community Hospital, Inc.

A valid TennCare/Medicaid ID number is required for the hospital to:

1. Get prescriptions covered by the TennCare Pharmacy Benefit for TennCare members.
2. Submit Medicare/Medicaid "cross-over" claims to TennCare for consideration of Medicare co-pays and deductibles for our members with Medicare as a primary carrier.
3. Contract with any TennCare Managed Care Organization in order to provide medically necessary services to TennCare members.
4. Receive payments from TennCare's EHR Incentive Program.

"This is a significant and important hurdle to cross as we complete the change of ownership process for the acquisition of this hospital," said Seamus Lagan, CEO of Rennova, "and is a major step towards being able to bill and get paid for medically necessary services provided by our hospital to TennCare members."

"We are pleased to continue offering services to our community and patients who use this valuable program," said Hal Leftwich, CEO, Jellico Community Hospital. "As the provider of choice in our community, access to appropriate and timely care is important, and we stand ready to continue a proud tradition of caring."
