Construction Partners, Inc. to Host 2025 Analyst Day and Hot-Mix Asphalt Facility Tour on October 22, 2025

DOTHAN, Ala., Sept. 3, 2025 /PRNewswire/ -- Construction Partners, Inc. (NASDAQ: ROAD) ("CPI" or the "Company"), a vertically integrated civil infrastructure company specializing in the construction and maintenance of roadways in local markets throughout the Sunbelt, today announced that it will host an in-person 2025 Analyst Day and hot-mix asphalt facility tour with financial analysts and institutional investors on Wednesday, October 22, 2025, in Raleigh, North Carolina.

The Company's President and Chief Executive Officer, Fred J. (Jule) Smith, III, and other key members of the senior leadership team will discuss the Company's strategic initiatives, growth priorities, organizational achievements and business outlook. The Analyst Day live presentation, including a question-and-answer session, is expected to begin at approximately 10:00 a.m. Eastern Time, following the hot-mix asphalt facility tour.

Analysts and institutional investors who would like to attend this event in person should contact the Company's Investor Relations representatives at road@dennardlascar.com. The event will also be webcast live on the Company's website with accompanying slides.

Further details regarding registration and webcast information will be forthcoming.

About Construction Partners, Inc.

Construction Partners, Inc. is a vertically integrated civil infrastructure company operating in local markets throughout the Sunbelt in Alabama, Florida, Georgia, North Carolina, Oklahoma, South Carolina, Tennessee and Texas. Supported by its hot-mix asphalt plants, aggregate facilities and liquid asphalt terminals, the Company focuses on the construction, repair and maintenance of surface infrastructure. Publicly funded projects make up the majority of its business and include local and state roadways, interstate highways, airport runways and bridges. The company also performs private sector projects that include paving and sitework for office and industrial parks, shopping centers, local businesses and residential developments.
