As Vice President, General Manager, Hart is responsible for overseeing local sales, operations, and engagement

efforts across the area, ensuring best-in-class service and support to the more than 240 communities Optimum serves across the Mid Atlantic Area.

"I'm thrilled to be joining Optimum to lead local efforts across the company's footprint in the Mid Atlantic Area, further serving customers across these regions through the company's renewed hyperlocal approach," said Elton Hart, Vice President, General Manager of Optimum Mid Atlantic. "It's an exciting time to be at Optimum, and I am looking forward to executing upon the company's mission to be the connectivity provider of choice across every community we serve, working alongside our local teams and in our communities to make that happen every day through the delivery of superior service and support."

Hart joins Optimum after over 20 years in the telecommunications industry, most recently serving in several sales leadership roles at Comcast Business. Over the course of his career, Hart has successfully led SMB sales organizations, implemented effective new business tools and processes, and driven growth across various sales channels and regional teams.

"As Optimum refocuses its efforts to drive improved customer experiences by becoming more hyperlocal and community minded, I am excited to bring Elton on board to lead these efforts alongside our local teams," said William Sweeney, Senior Vice President, Optimum. "Elton is a dynamic, experienced, and capable leader, and with his winning track record, I'm looking forward to seeing the expertise that he will be bringing to Optimum Mid Atlantic and all of the markets we serve throughout the area."

Hart is based out of the company's Charleston, West Virginia offices.

About Optimum

Optimum is a brand of Altice USA, one of the largest broadband communications and video services providers in the United States, delivering broadband, video, and mobile services to approximately 4.8 million residential and business customers across 21 states. The company operates a4, an advanced advertising and data business, which provides audience-based, multiscreen advertising solutions to local, regional and national businesses and advertising clients. Altice USA also offers hyper-local, national, international and business news through its News 12, Cheddar News and i24NEWS networks.
