Godfrey to Host Daily Show Exclusively on SiriusXM

Fearless stand-up comic and entertainer to host "The Power Hour" on SiriusXM's Urban View

NEW YORK, July 27, 2017 /PRNewswire/ -- SiriusXM announced today that comedian and actor Godfrey will host a daily show exclusively on Urban View, SiriusXM's destination for diverse urban programming. Broadcasting live from New York City, *The Power Hour* will launch Monday, July 31.

The Power Hour will broadcast daily, 12:00 pm - 1:00 pm ET, on SiriusXM's Urban View channel 126 and will be available On Demand and through the SiriusXM app. The call-in show will feature dynamic, and often provocative conversations, on politics, pop culture, and social issues in Godfrey's relaxed, comedic style. Godfrey will tackle the issues of the day – from race to rap and everything in between – and feature interviews with authors, rappers, politicians and more.

"I can't wait to get behind the mic and have honest, open conversations with SiriusXM listeners and guests about what's really on our minds," said Godfrey. "I'm not interested in being politically correct; I'm interested in moving towards a place where we can be real and have transparent discussions that entertain and move us all forward."

"Godfrey is a true, indefatigable talent and we are thrilled to announce the launch of *The Power Hour* on Urban View," said Karen Hunter, Urban View host and Programming Consultant, SiriusXM. "Godfrey's humor and ability to approach the difficult issues most

people shy away from with ease is sure to make *The Power Hour* a listener favorite."

A staple on the comedy circuit, Godfrey has been a headliner at comedy clubs in America and around the world. He has also appeared in television ads and over 15 television shows, specials for Comedy Central and Showtime, and has been featured in films including *Original Gangstas*, *Zoolander*, *Soul Plane*, and *Johnson Family Vacation*.

Born to Nigerian parents, Godfrey was born in Lincoln, Nebraska, but grew up in Chicago and attended the University of Illinois at Urbana-Champaign where he majored in Psychology, played football, and discovered his love for comedy. After graduation, Godfrey decided to pursue a career in standup comedy getting his start at Bernie Mac's club, The Cotton Club. Godfrey is an actively touring comedian with multiple projects in the works.

SiriusXM's Urban View is the radio home of diverse urban programming reflecting the complexity of the African American community.

SiriusXM recently announced that its 200+ channels – including SiriusXM Urban View – are now also available for streaming to SiriusXM subscribers nationwide with Amazon Alexa. Go to www.SiriusXM.com/AmazonAlexa to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and

expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
