Michelle Collins, Comedian, Talk Show Host, to Launch New Show Exclusively for SiriusXM

- "The Michelle Collins Show" to premiere on Monday, March 5, on SiriusXM's Stars

- Daily show to anchor mornings on Stars channel 109

NEW YORK, March 1, 2018 /PRNewswire/ -- SiriusXM announced today that Michelle Collins, comedian, talk show host and former co-host of *The View*, will host an uncensored daily show exclusively on SiriusXM's Stars.

The Michelle Collins Show will feature Collins' interviews with celebrity guests, newsmakers, experts and reality TV stars. Collins will also share personal stories and discuss a variety of topics including pop culture and entertainment, shopping and beauty, and the trending news of the day. Collins will also take calls from listeners while diving into deeper discussions about current events.

Listeners can hear *The Michelle Collins Show* live starting Monday, March 5, on SiriusXM's Stars channel 109 and through the SiriusXM app on smartphones and other connected devices. The program will air live weekday mornings from 8:00 – 10:00 am ET, as the lead-in program to *The Jenny McCarthy Show*.

"I was ecstatic when I heard Michelle Collins was joining our SiriusXM family," said SiriusXM host **Jenny McCarthy**. "She will quickly learn what I learned working here, which is she will no longer have to try to get her point of *VIEW* across in four words or less before being interrupted. The mic is hers and we want to hear what she has to say. She is funny, intelligent, and loves to make fun of *The Bachelor* as much as I do, and I can't think of a better lead in for me. Welcome home, Michelle."

"Talking without interruption has been a childhood dream of mine," said Michelle Collins. "And, having the freedom to do it at SiriusXM five days a week is that dream fulfilled. I want to get into the stuff that makes us tick – reality TV, online shopping addictions, dating, first-world problems and balancing those with more serious news and current events. Every morning on the Stars channel will be a new adventure fueled by my passion for almost everything."

People on the street may recognize Michelle Collins as a host on *The View*'s 19th season. Others might know her as the devoted host of ABC's *After Paradise*, a live after-show for their hit summer franchise *Bachelor In Paradise*. She has also driven for work, not as an Uber driver but as the host of VH1's *Walk of Shame Shuttle*, a hidden-camera show where she would pick up people doing the walk of shame in a van and give them a ride home while interviewing them. Michelle has been seen as the host of *Date Night Live* and *Little Talk Live*, both for Lifetime. Digitally, some people accidentally stumble upon her show *All My Gay Friends Are Getting Married* while looking for *Bachelor* reruns on the ABC digital app. Michelle is also a contributing writer for *Elle* and *Vanity Fair*, whose Oscar red carpet show she also hosts.

SiriusXM subscribers can listen to *The Michelle Collins Show* on Stars channel 109, and those with streaming access can listen online, on-the-go with the SiriusXM mobile app and at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/AtHome to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to

differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
