SiriusXM Presents Billy Joel Live From Miami Beach on December 5

"Billy Joel: An Evening of Questions and Answers...and a little music too" at the Faena Theater, broadcasting live on his exclusive SiriusXM Channel

Billy Joel's exclusive SiriusXM channel to run until December 6 on channel 30

NEW YORK, Nov. 11, 2019 /PRNewswire/ -- SiriusXM announced today that legendary musician Billy Joel will sit down for a special SiriusXM event at the Faena Theater in Miami Beach, on Thursday, December 5. The exclusive event will broadcast live on Joel's SiriusXM channel, The Billy Joel Channel.

Billy Joel: An Evening of Questions and Answers...and a little music too will feature the legendary musician sitting in front of a piano taking questions from SiriusXM subscribers in the audience. Additionally SiriusXM subscribers will be able to call in to the live event at (844)-365-BILLY (2455) and ask Billy Joel a question. Joel will also be sharing stories behind his music as well as performing portions of songs in between conversation.

"It's an evening of questions and answers....and a little music too. I'm bringing my guitar player, my bass player and my sax player. They'll bring some color, which will sound better on the radio. If the opportunity to do a song presents itself, and it's the right song at the right time, it's nice to have the colors. I think that format is great, it works well," said Billy Joel.

"Miami Beach has been the home for some great nights with iconic entertainers, and another one is coming that way in Billy Joel, a master performer and a great story teller. Our event for subscribers takes us back to an intimate setting in the heart of Miami Beach at the Faena Theater for a special night of storytelling and a little music, too," said Scott Greenstein, President and Chief Content Officer, SiriusXM.

Billy Joel: An Evening of Questions and Answers...and a little music too will air live on Billy Joel's exclusive SiriusXM channel, The Billy Joel Channel, on Thursday, December 5 at 8:00 pm ET. Additionally, SiriusXM will air a special show, *Billy Joel A to Z*, featuring Joel walking listeners through each of his studio recordings in alphabetical order. Pandora will also unveil a playlist of all the songs.

Billy Joel's exclusive SiriusXM channel, The Billy Joel Channel, features the works of the iconic superstar including music spanning his 5 decades-long career. The channel also features exclusive stories from Joel that have inspired and influenced his life and career. The

Billy Joel Channel also includes radio shows hosted by Billy Joel, where he plays some of his favorite music by other artists, as well as rare live performances.

The limited-run channel will run through Friday, December 6 at 3:00 am ET, on channel 30 and on satellite radios and on the SiriusXM app.

SiriusXM subscribers will have the opportunity to win tickets to this private SiriusXM & Pandora event through an invitation sent by e-mail to qualified subscribers who have consented to e-mail marketing from SiriusXM and who have registered their music interests with us at siriusxm.com/perks. Pandora fans will have a similar opportunity based upon their listening histories. Additionally, SiriusXM subscribers since October 24, 2019 will be able to enter for the chance to win a trip for two to Miami Beach, FL including airfare, hotel stay, and a pair of tickets to *Billy Joel: An Evening of Questions and Answers...and a little music too*. See Official Rules for complete details at siriusxm.com/BillyJoelMiami.

SiriusXM subscribers are able to listen to The Billy Joel Channel (channel 30) on SiriusXM radios, and those with streaming access can listen online, on-the-go with the SiriusXM mobile app and at home on a wide variety of connected devices including smart TVs, devices with Amazon Alexa or the Google Assistant, Apple TV, PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/streaming to learn more.

About SiriusXM

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements. The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract or increase the number of subscribers, which is uncertain; our ability to profitably attract and retain more price-sensitive consumers; failure to protect the security of personal information about our customers; interference to our service from wireless operations; a decline in the effectiveness of our extensive marketing efforts; consumer protection laws and their enforcement; our failure to realize benefits of acquisitions or other strategic initiatives, including the acquisition of Pandora Media, Inc.; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; existing or future

government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; damage to our studios, networks or other facilities as a result of terrorism or natural catastrophes; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2018, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
