NEW YORK - August 3, 2022 – **Stitcher**, the Triton-ranked #1 podcast network and SiriusXM subsidiary, today announced ***Vibe Check***, a new weekly podcast series hosted by journalist and podcaster **Sam Sanders**, poet and writer **Saeed Jones**, and journalist and Tony Award-winning producer **Zach Stafford**. Beginning August 17, the three culture experts and friends bring their group chat to life as they dissect news, entertainment, and everything in between through a Black, queer lens.

A trailer is available [by clicking here](#). Listen to *Vibe Check* on [Stitcher](#), the SXM App, and all major podcast listening platforms.

Black, queer culture is the foundation of everything – from Madonna’s “Vogue” to the reign of Lil Nas X – but rarely are those voices at the foreground of cultural commentary and critique. Now *Vibe Check* has entered the chat, a weekly kiki with three of the world’s most prominent Black, queer creatives, each of whom has spent their careers reporting the news, pushing

the culture, and checking the vibes. Listeners will hear Saeed, Sam and Zach discuss everything, from Beyonce's latest single to the battle over LGBTQ+ rights.

In a joint statement, Sam, Saeed, and Zach said: "We couldn't be more excited to invite people into our funny, thoughtful, and supportive sister circle on *Vibe Check*. This show is the culmination of years of friendship, and we look forward to helping you keep your vibe right!"

SXM Media, the combined advertising sales group from Sirius XM Holdings Inc., has exclusive global ad sales rights for *Vibe Check*. SXM Media is the gateway for marketers to the #1 U.S. podcast advertising network in reaching weekly podcast listeners, per Edison Research.

Vibe Check is created and hosted by **Saeed Jones**, **Zach Stafford**, and **Sam Sanders**. The show is produced by **Shantel Holder**. Stitcher's **Nora Ritchie** and **Brandon Sharp** of Agenda Management & Production serve as executive producers. Engineering is by **Brendan Byrnes** and **Jared O'Connell**. The show's music and sound design is by **Marcus Hahn**.
