FTE Networks Common Stock Begins Trading on OTC Pink(R) Market

NAPLES, FL -- (Marketwired) -- 12/10/15 -- FTE Networks, Inc.(OTC PINK: FTNW), a premier provider of infrastructure solutions services in the telecommunications and technology vertical, today announced that its common stock has been approved for trading on the OTC Pink® Open Market, operated by OTC Markets Group Inc. The ticker symbol is FTNW.

The common stock is currently trading on OTC Pink, and the Company anticipates that its common stock will be upgraded to the OTCQX® Best Market, also operated by OTC Markets Group Inc., in early 2016.

Michael Palleschi, CEO of FTE Networks stated, "This is a major milestone in the development of our company. We believe that the higher profile we have from being a public company will enhance our credibility in the telecoms and technology markets we serve."

He added, "For all our shareholders, new and old, we believe we have high growth potential and plan to continue to build a strong business, which will result in increased shareholder value for all. We have commenced an active investor communications program, and look forward to updating investors on a regular basis."

"I would like to take this opportunity to thank the staff at FTE Networks who have given so much more than just their time and their talents. They have given their passion to our company. This achievement is their achievement, and we look forward to even greater accomplishments in the future," concluded Mr. Palleschi.
