Chanticleer Holdings Partners with Food Service Industry Consultants

Company to Leverage FSIC's Comprehensive Supply Chain Transparency, Analytic Support Services and Compliance Analytics Platform, IntelliSpend™, to Maximize Profitability

CHARLOTTE, N.C., April 16, 2019 (GLOBE NEWSWIRE) -- Chanticleer Holdings, Inc. (NASDAQ:[BURG](#)) ("Chanticleer" or the "Company"), owner, operator, and franchisor of multiple nationally recognized restaurant brands, today announced that it has partnered with Food Service Industry Consultants ("FSIC") to leverage their comprehensive supply chain transparency, analytic support services and compliance analytics platform, IntelliSpend™, to enhance profitability.

Fred Glick, Chanticleer Holdings President, stated, "We are pleased to announce our newest partnership with FSIC. In today's market, it's more critical than ever to have complete visibility and control over our entire supply chain in order to maximize profitability and guest traffic. Since 2001, FSIC has worked with some of the biggest names in restaurants in our space to help successfully reduce their costs of goods while improving bottom lines."

Glick continued, "The Company's partnership with FSIC comes on the heels of our previous recent announcements about our partnership with Restaurant Revolution Technologies, a partnership with DoorDash for delivery, and Thanx for its automated customer engagement platform.

"We've now built a platform capable of managing greater scale. This platform includes a highly experienced restaurant management team, numerous quality brands, loyal and dedicated employees, and experienced technology partners that are proven effective."

Since 2001, FSIC has supported more than 170 restaurant brands with its experienced supply chain and data professionals. Utilizing its proprietary transparency and compliance platform, IntelliSpend™, FSIC helps restaurant groups reduce cost of goods up to 10% and ensure a consistent guest experience. The FSIC team is comprised of industry experts with deep expertise and understanding of the complexity of foodservice supply chain, purchasing and pricing.
