### Transaction Information

DoubleDown Interactive Co., Ltd. (“DoubleDown” or the “Company”) announced the pricing of an underwritten secondary offering of 4,347,827 American Depositary Shares (the “ADSs”), each ADS representing 0.05 common share of the Company (“Common Shares”), at a public offering price of \$8.50 per ADS by STIC Special Situation Diamond Limited (the “Selling Shareholder”). The Selling Shareholder granted the underwriters a 30-day option to purchase up to 652,173 additional ADSs at the public offering price, less underwriting discounts and commissions, which has been fully exercised. As a result, the total offering size was increased to 5,000,000 ADSs. The offering consists entirely of the ADSs to be sold by the Selling Shareholder and will not change the number of Common Shares that are outstanding.

The Company will not receive any proceeds from the sale of the ADSs by the Selling Shareholder.

Roth Capital Partners acted as Lead Book-Running Manager for the offering.

### About DoubleDown Interactive Co., Ltd.
