Megyn Kelly to Headline Her Own SiriusXM Channel as Part of New Multi-Year Deal

“The Megyn Kelly Channel” to debut November 4 on Channel 111, featuring “The Megyn Kelly Show,” a new daily after show program, and more original content

NEW YORK – October 9, 2025– SiriusXM today announced that Megyn Kelly has signed a new multi-year deal with the company, extending the successful relationship that has made The Megyn Kelly Show one of the platform’s most successful political and cultural programs. As part of the agreement, Kelly will headline her own SiriusXM channel, **The Megyn Kelly Channel**, which will take over channel 111 starting November 4.

The new channel will continue to air The Megyn Kelly Show, heard first and only on SiriusXM before becoming available in podcast form, and will also feature brand-new programming, including the debut of an exclusive daily after show program. Additional series, shows, and specials will be announced in the coming weeks.

Since its debut on SiriusXM in 2021, The Megyn Kelly Show has consistently broken news and sparked national conversations. Kelly has conducted headline-making interviews with President Donald Trump; Vice President J.D. Vance and Defense Secretary Pete Hegseth shortly before his confirmation hearings. She has also welcomed cultural and media leaders such as Tucker Carlson, Piers Morgan, Bill Maher, Bari Weiss, Charlamagne tha God, and Shawn Ryan along with bestselling authors, journalists, and entertainers.

“Linear television news is dead. People can’t stand those stilted, censored conversations anymore, which is exactly why this medium is thriving. I’m thrilled to deliver our bold brand of no-BS news live on SiriusXM and to be expanding my relationship with such a stellar, blue-chip brand and great partner,” said Megyn Kelly. “Soon our listeners will have the Megyn Kelly Channel to enjoy and trust for the conversations and content they love.”

Listeners will be able to access The Megyn Kelly Channel nationwide on SiriusXM channel

111. The Megyn Kelly Show will continue to premiere exclusively on the channel before later becoming available as a podcast on the SiriusXM app and other major podcast platforms, with video available on YouTube.

Programming from SiriusXM Triumph, formerly channel 111, can be found on channel 123 starting in November.

In addition to her new SiriusXM channel, Kelly recently announced the launch of her first-ever national show tour, "Megyn Kelly LIVE," in which she will take the MK show on the road, visiting 10 cities from across the country.
