Capstone Turbine (NASDAQ:CPST) CEO to Discuss Recent Revenue Growth Trends at the Upcoming Noble Capital Markets' Virtual Road Show

VAN NUYS, CA / ACCESSWIRE / April 1, 2021 /Capstone Turbine Corporation (NASDAQ:CPST), the world's leading manufacturer of clean energy technology microturbine systems, today announced their participation in Noble Capital Markets' Virtual Road Show Series, presented by Channelchek, scheduled for Tuesday, April 6, 2021.

The virtual road show will feature a corporate presentation from Capstone Turbine President and Chief Executive Officer Darren Jamison, followed by a question and answer session moderated by Noble Senior Research Analyst Michael Heim, highlighting questions submitted by the audience.

"I look forward to discussing our recent top line revenue growth with potential shareholders as we execute against our strategic Revenue Growth Strategy, which consists of a six-element initiative designed to drive top line annual revenue," said Darren Jamison, President and Chief Executive Officer of Capstone Turbine.

"I expect that the new Biden administration will create positive momentum for green initiatives and companies like Capstone, as President Biden recently signed an executive order to rejoin the U.S. into the Paris climate accord, his first major action to tackle global warming. In addition, the President's recently proposed infrastructure plan will most likely have a green building and sustainability element," added Mr. Jamison.

The live broadcast of the virtual road show is scheduled for Tuesday, April 6, 2021, at 1 PM EDT. Registration is free and open to all investors, at any level. [Register Here.](#)
