

Company Overview

Vegalab, Inc. is the exclusive distributor in North and South America of a line of all-natural, biologically derived pesticides, fertilizers, and specialty agricultural products. Vegalab's pesticides are highly effective against targeted organisms, non-toxic to beneficial organisms, and safe for the environment. Vegalab's products support a healthy soil biome and are cost competitive with synthetic chemicals that do just the opposite. The Company operates in two segments of the food industry. The Agronomy Business involves the manufacture and distribution of all-natural crop protection, crop health, and soil enhancement products; the Packing Business involves the operation of citrus packing facilities.
