ITUS Presentation to Special Meeting of Stockholders

SAN JOSE, Calif., April 2, 2018 /PRNewswire/ -- ITUS Corporation (NASDAQ: ITUS) today announced that the presentation given by its Chief Executive Officer, Dr. Amit Kumar, at its Special Meeting of Stockholders on March 29, 2018 has been placed on the Company's website. It can be viewed at <http://ir.ituscorp.com/corporate-presentation>.

Highlights of the presentation include:

- Summary of our early cancer detection technology data
- Results of the blinded prostate cancer study performed with Seramatrix Corporation and Memorial Sloan Kettering Cancer Center, showing 92% sensitivity and specificity
- Summary of our ovarian cancer CAR-T program

Dr. Kumar stated, "With the continued positive advancements of both our diagnostic and therapeutic cancer programs, we are very excited about the company's future and the opportunities to better diagnose and treat cancer in collaboration with academic and corporate partners."

ITUS Corporation

[ITUS](#), a cancer-focused biotechnology company, is harnessing the body's immune system in the fight against cancer. Its wholly owned subsidiary, Anixa Diagnostics Corporation, is developing the Cchek™ platform, a series of non-invasive blood tests for the early detection of solid tumor based cancers, which is based on the body's immunological response to the presence of a malignancy. Its majority owned subsidiary, Certainty Therapeutics, Inc., is developing CAR-T based immuno-therapy drugs which genetically engineer a patient's own immune cells to fight cancer. ITUS also continually examines emerging technologies in complementary or related fields for further development and commercialization. Additional information is available at www.ITUScorp.com.
