About SCYNEXIS

SCYNEXIS is a premier drug discovery and development company headquartered in Research Triangle Park, North Carolina. SCYNEXIS' mission is to be the leader in delivering effective and innovative drug pipeline solutions to its pharmaceutical partners.

SCYNEXIS research teams integrate medicinal chemistry, advanced biological screening, computational chemistry, bioanalysis and analytical chemistry and use powerful, proprietary technologies such as the HEOS® Software Suite, MEDCHEM-FACTORY® and KIT(TM) Kinase Inhibitor Technology to advance molecules to candidate selection. SCYNEXIS development teams have been tailored to be especially effective in moving customer projects from the discovery phase to the clinic. SCYNEXIS process chemistry and bioanalytical/DMPK departments operate under current GMP/GLP guidelines and have a strong track record of success. Our website is located at www.scynexis.com.
