MIAMI, October 6, 2026: [Regent Seven Seas Cruises®](#), the world's leading ultra-luxury cruise line, has unveiled a collection of new and enhanced bars, lounges and beverage concepts debuting aboard *Seven Seas Prestige™* in December 2026. From Italian aperitivo and Mediterranean-inspired cocktails to thoughtfully curated zero-proof creations, each experience has been designed to give its setting a distinct identity and bring a sense of discovery to every occasion.

“*Seven Seas Prestige* represents an exciting evolution for Regent, and that same innovative vision extends to every aspect of the guest experience, including our bars, lounges, and beverage offerings,” said Wesley D'Silva, President, Regent Seven Seas Cruises. “Each venue has been thoughtfully crafted to create its own sense of atmosphere and occasion, from aperitivo moments at *Galileo's Bar* to Mediterranean-inspired cocktails at *Azure* and refreshing open-air serves at *Solmar Terrace*. Whether guests are gathering with friends before dinner, celebrating a special milestone or simply enjoying a perfectly crafted cocktail at sea, these experiences have been designed to feel immersive, elevated and distinctly Regent.”
