Genius Group Launches GeniusGroup.AI to Power Growth of Genius Cities and AI Education

SINGAPORE, Oct. 24, 2024 (GLOBE NEWSWIRE) -- [Genius Group Limited](#) (NYSE American: GNS) ("Genius Group" or the "Company"), a leading AI-powered education and acceleration group, today announced the launch of GeniusGroup.AI to drive the growth of the Company's Genius Cities Network and global AI Education model.

GeniusGroup.AI, the Company's new AI powered platform, delivers the AI training, AI tools and AI talent to connect the Company's "Genius Cities" around the world – combining educators, entrepreneurs, business and government into exponential learning ecosystems with human values and Sovereign AI, each harnessing technology locally.

Key components of GeniusGroup.AI include:

Genius Group's full suite of AI Avatars, including 'Student AI', a full suite of AI tutors and tools for university students, 'Genius Team', a full C-Suite of AI avatars and AI tools for entrepreneurs, and a global marketplace of AI avatars and AI agents to support exponential enterprises, educators and entrepreneurs.

Instant Access to Alan Turing AI, Genius Group's Chief AI Officer, with a free, live voice call to guide entrepreneurs and executives through Genius Group's "100x Quiz", assessing through a series of questions the most effective path to achieve a 100 times impact in growth, productivity or efficiency using the latest AI tools and strategies.

Daily AI News from Genius Cities Globally, covering Africa, Asia, Europe, North America, South America and Oceania, covering the latest AI startups, products, projects, and exponential technologies from Genius Group's international network of educators and entrepreneurs.

Global Calendar of Genius Events, including AI courses, AI challenges and AI summits, both live and virtual. The calendar will also track key AI events and milestones within each Genius City, and the Company's upcoming Genius Awards, highlighting the students, entrepreneurs, leaders and companies that are harnessing AI towards a positive impact on humanity.

Roger James Hamilton, CEO of Genius Group, said *"The rapid pace of change in the Age of AI makes it challenging for anyone to keep up with the best tools and training available in their own country let alone globally. GeniusGroup.AI serves as a starting point for our global community of students, educators, entrepreneurs, businesses and governments to share their latest use cases and success stories, as well as access the latest AI tools, AI training and AI talent."*

"We have recently welcomed new city leaders launching our Genius City model in: Melbourne, Australia; London, England; Frankfurt, Germany; Stockholm, Sweden; Santiago, Chile; Toronto Canada and Vancouver, Canada, joining our Genius Cities in Dubai, Abu Dhabi, Singapore and Miami. Our goal is to launch 100 Genius Cities around the world that will be sharing knowledge, resources and connections on our global learning platform. We are currently ahead of schedule in our global roll out, and the launch of GeniusGroup.AI is an important step forward towards this vision."
