Paul Galvin, Chairman, and CEO commented, "I look forward to discussing the upcoming spinoff of SG DevCo, as well as our robust sales pipeline and positive developments within Safe & Green Medical, the Company's medical services subsidiary on Benzinga All Access, a well-respected provider of financial information to the investing public."

About Benzinga All Access

Benzinga All Access is a first-of-its-kind show: part interview, part investor presentation. On All Access, Benzinga partners with companies to bring you in-depth one-on-one conversations with executives across a wide range of industries and asset classes. From emerging biotechs, to alternative real estate investment platforms, to everything in between,

guests on All Access have one thing in common: they want to tell their story to investors. Benzinga All Access reaches 175,000 subscribers through their YouTube channel.

About Safe & Green Holdings Corp.

Safe & Green Holdings Corp., a leading modular solutions company, operates under core capabilities which include the development, design, and fabrication of modular structures, meeting the demand for safe and green solutions across various industries. The firm supports third party and in-house developers, architects, builders and owners in achieving faster execution, greener construction, and buildings of higher value. The Company's subsidiary, Safe and Green Development Corporation, is a leading real estate development company. Formed in 2021, it focuses on the development of sites using purpose built, prefabricated modules built from both wood and steel, sourced from one of Safe & Green Holdings' factories and operated by the SG Echo subsidiary.
