CLEAR Announces \$100 Million Share Repurchase Authorization

NEW YORK, May 16, 2022 /PRNewswire/ -- Today, CLEAR (NYSE: YOU) announced that CLEAR's Board of Directors has authorized a share repurchase program pursuant to which the Company may purchase up to \$100 million of its Class A Common Stock.

"As CLEAR owners, we are intensely focused on economic capital allocation to maximize long-term returns, including opportunistic share repurchases," said Caryn Seidman-Becker, CEO of CLEAR.

Under the repurchase program, CLEAR may purchase shares of its Class A Common Stock on a discretionary basis from time to time through open market repurchases, privately negotiated transactions, or other means, including through Rule 10b5-1 trading plans. The timing and actual number of shares repurchased will be determined by management depending on a variety of factors, including stock price, trading volume, market conditions and other general business considerations. The repurchase program has no expiration date and may be modified, suspended, or terminated at any time.

Repurchases under this program will be funded from CLEAR's existing cash and cash equivalents or future cash flow. As of March 31, 2022, CLEAR had \$663 million in cash and cash equivalents, restricted cash, and marketable securities.
