Over 28 Years of Consecutive Dividend Payments by Helios Technologies

SARASOTA, Fla.--(BUSINESS WIRE)-- [Helios Technologies, Inc.](#) (NYSE: HLIO) ("Helios" or the "Company"), a global leader in highly engineered motion control and electronic controls technology for diverse end markets, announced that its Board of Directors declared a quarterly cash dividend of \$0.09 per common share. Helios has declared consecutive quarterly dividends to its stockholders for over 28 years beginning with the first quarter 1997.

"Since 1997, less than 8% of all companies listed on U.S. exchanges have paid consecutive dividends for 28 years in a row. This financial milestone highlights the enduring strong cash generation inherent in our business model. In fact, in 2024 we had a record year for cash generated from our operations of over \$122 million reflecting our disciplined working capital initiatives," said Sean Bagan, President, Chief Executive Officer and Chief Financial Officer of Helios.

The dividend will be payable on April 22, 2025 to stockholders of record as of April 4, 2025. Helios Technologies has approximately 33.3 million shares of common stock outstanding.
