

Antero Resources Announces Cash Tender Offers for up to \$300 million in Aggregate Principal Amount of Senior Notes

Denver, Colorado, August 4, 2022— Antero Resources Corporation (NYSE: AR) (“Antero Resources”, “Antero”, or the “Company”) today announced that it has commenced tender offers (each, an “Offer” and, collectively, the “Offers”) to purchase for cash (i) any and all of the Company’s outstanding 8.375% Senior Notes due 2026 (such notes, the “Any and All Notes” and, such offer, the “Any and All Tender Offer”) and (ii) an amount of the Company’s outstanding 7.625% Senior Notes due 2029 (such notes, the “Maximum Tender Notes” and, such offer, the “Maximum Tender Offer”) equal to the difference between \$300,000,000 and the aggregate principal amount of Any and All Notes accepted for purchase (as such amount may be increased or eliminated by the Company pursuant to the terms of the Offers, the “Aggregate Maximum Principal Amount”), in each case, on the terms and subject to the conditions set forth in the Company’s Offer to Purchase, dated August 4, 2022 (as it may be amended or supplemented from time to time, the “Offer to Purchase”).

The Offer to Purchase relates to two separate Offers, one for each series of notes (each series, a “Series of Notes”, and such notes, collectively, the “Notes”). No Offer is conditioned on any minimum amount of Notes being tendered or the consummation of any other Offer.

(1) Per \$1,000 principal amount of Notes validly tendered and not validly withdrawn and accepted for purchase.

(2) Excludes accrued interest, which will be paid on Notes accepted for purchase as described herein.

(3) Includes the Early Tender Premium (as defined in the Offer to Purchase) for Notes validly tendered at or prior to the Early Tender Deadline (as defined below) (and not validly withdrawn) and accepted for purchase.

The Any and All Tender Offer will expire at 5:00 p.m., New York City time, on August 10, 2022, unless extended or earlier terminated (such time and date, as the same may be extended with respect to the Any and All Tender Offer, the “Any and All Expiration Date”). Holders (as defined in the Offer to Purchase) of the Any and All Notes must validly tender and not validly withdraw their Any and All Notes at or prior to the Any and All Expiration Date to be eligible to receive the Total Consideration for such Any and All Notes. The settlement date for the Any and All Tender Offer is expected to be August 11, 2022, unless extended by the Company (the “Any and All Settlement Date”), or for Any and All Notes validly tendered pursuant to the guaranteed delivery procedures set forth in the Offer to Purchase, August 15, 2022 (the “Guaranteed Delivery Settlement Date”).

The Maximum Tender Offer will expire at 11:59 p.m., New York City time, on August 31, 2022, unless extended or earlier terminated (such time and date, as the same may be extended with respect to the Maximum Tender Offer, the “Maximum Tender Expiration Date”).

Holders of Maximum Tender Notes must validly tender and not validly withdraw their Maximum Tender Notes at or prior to 5:00 p.m., New York City time, on August 17, 2022 (such time and date, as the same may be extended, the “Early Tender Deadline”) in order to be eligible to receive the Total Consideration, which includes the Early Tender Premium for the Maximum Tender Notes of \$50.00 per \$1,000 principal amount of Notes tendered. Holders who validly tender their Maximum Tender Notes after the Early Tender Deadline and at or prior to the Maximum Tender Expiration Date will be eligible to receive only the Tender Consideration as set forth in the table above.

In each case, such Holders will also be entitled to receive accrued and unpaid interest, if any, from the last interest payment date for the applicable Series of Notes up to, but not including, the applicable Settlement Date (as defined below), if and when the applicable Notes are accepted for purchase. For the avoidance of doubt, Any and All Notes validly tendered pursuant to the guaranteed delivery procedures set forth in the Offer to Purchase will only be entitled to receive accrued and unpaid interest, if any, from the last interest payment date up to, but not including, the Any and All Settlement Date. The Offers are open to all Holders of the Notes.

Tendered Notes may be withdrawn at or prior to 5:00 p.m., New York City time, on (i) August 10, 2022, with respect to the Any and All Notes, or (ii) August 17, 2022, with respect to the Maximum Tender Notes, by following the procedures described in the Offer to Purchase, but may not thereafter be validly withdrawn, except as provided for in the Offer to Purchase or required by applicable law.

If the aggregate principal amount of Maximum Tender Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline equals or exceeds the Aggregate Maximum Principal Amount, Holders of the Maximum Tender Notes who validly tender and do not validly withdraw Maximum Tender Notes after the Early Tender Deadline and at or prior to the Maximum Tender Expiration Date will not have any such Maximum Tender Notes accepted for payment, unless the Company increases the Aggregate Maximum Principal Amount. There can be no assurance that any or all tendered Maximum Tender Notes will be accepted for purchase.

If purchasing all of the validly tendered and not validly withdrawn Maximum Tender Notes on the applicable Settlement Date (as defined in the Offer to Purchase) would cause the Aggregate Maximum Principal Amount to be exceeded on such Settlement Date, the Company will accept such Maximum Tender Notes on a pro rata basis, so as to not exceed the Aggregate Maximum Principal Amount (with adjustments to avoid the purchase of Maximum Tender Notes in a principal amount other than in the applicable minimum denomination requirements contained in the indenture governing the Maximum Tender Notes and in integral multiples of \$1,000 in excess thereof). As such, there can be no assurance that any or all tendered Maximum Tender Notes will be accepted for purchase, even if validly tendered and not validly withdrawn prior to the Early Tender Deadline.

The Company reserves the right, but is under no obligation, to increase or eliminate the Aggregate Maximum Principal Amount at any time without extending the applicable Maximum Tender Withdrawal Deadline (as defined in the Offer to Purchase), subject to applicable law. As such, there can be no assurance that any or all tendered Maximum Tender Notes will be accepted for purchase, even if validly tendered and not validly withdrawn prior to the Early Tender Deadline.

The Company reserves the right, but is under no obligation, at any time after the Early Tender Deadline and before the Maximum Tender Expiration Date, to accept Maximum Tender Notes that have been validly tendered and not validly withdrawn for purchase on a date determined at the Company’s option (such date, if any, the “Maximum Tender Early Settlement Date”). The Company currently expects the Maximum Tender Early Settlement Date, if any, to occur on August 19, 2022. If the Company chooses to exercise its option to have a Maximum Tender Early Settlement Date, the Company will purchase any remaining Maximum Tender Notes that have been validly tendered and not validly withdrawn after the Early Tender Deadline and at or prior to the Maximum Tender Expiration Date, subject to the Aggregate Maximum Principal Amount and all conditions to the Maximum Tender Offer having been satisfied or waived by the Company, on the final settlement date (the “Maximum Tender Final Settlement Date”). The Company will purchase any and all Any and All Notes that have been validly tendered and not validly withdrawn at or prior to the Any and All Expiration Date, subject to all conditions of the Any and All Offer having been satisfied or waived by the Company, on the Any and All Settlement Date or on the Guaranteed Delivery Settlement Date, as applicable (each of the Maximum Tender Early Settlement Dates, the Any and All Settlement Date, the Guaranteed Delivery Settlement Date and the Maximum Tender Final Settlement Date, a “Settlement Date”).

The Maximum Tender Final Settlement Date, if any, is expected to be September 2, 2022, unless extended by the Company. If the Company chooses not to exercise its option to have a Maximum Tender Early Settlement Date, it will purchase all Maximum Tender Notes that have been validly tendered and not validly withdrawn at or prior to the Maximum Tender Expiration Date, subject to the Aggregate Maximum Principal Amount and all conditions to the Maximum Tender Offer having been satisfied or waived by the Company, on the Maximum Tender Final Settlement Date. No tenders of Notes submitted after the Maximum Tender Expiration Date will be valid.

The Company reserves the right to terminate or withdraw the Offers in whole or terminate or withdraw the Offers with respect to any Series of Notes at any time, subject to applicable law.
