A recording will be available starting one hour after the completion of the call. To access the recording, please call (404) 537-3406 and use the passcode 50904830. The call recording will be archived until Wednesday, February 22, 2017, and the webcast will be available for 12 months.

## **About QuickLogic**

QuickLogic Corporation (NASDAQ: QUIK) enables OEMs to maximize battery life for highly differentiated, immersive user experiences with Smartphone, Wearable and IoT devices. QuickLogic delivers these benefits through industry leading ultra-low power customer programmable SoC semiconductor solutions, embedded software, and algorithms for always-on voice and sensor processing. The company's embedded FPGA initiative also enables SoC designers to easily implement post production changes, and increase revenue by providing hardware programmability to their end customers.
